Mr. Dickie celebrates 41st year in teaching

Mr. Howard Dickie is completing his 41st year in the field of teaching. For the last 11 years he has unselfishly given of himself to the education of our students in the Social Studies department.

The yearbook staff of Bentley High School takes great pleasure in dedicating the 1967 Pioneer to Mr. Dickie.

Student Council officers Barb Morrison, Sec.; Gary Bell, Treas.; Frank Elwell, Pres.; Sue Dowell, Vice Pres. discuss an idea for the agenda of the next meeting.

The Student Council annually holds a soc hop for new sophomores. Here some Student Council members join in the fun.

Peggy Moore and Jay Schreiber exemplify the mode of dress for students on Sophisticates Day, just before Christmas vacation.

projects rounds off the year for Student Council

With the population of Bentley topping the 2,200 mark, running an efficient and representative Student Council requires the cooperation of all involved. Weekly meetings of the entire Student Council are planned ahead of time by the Steering Committee which meets daily.

The activities of the Student Council, this year, included traditional sponsoring of the Sophomore Activities Night, the distribution of concessions and soc hops to needy organizations, running the Canned Food Drive and a Sophisticate's Day. But as important as these things are the small and seemingly trivial concerns of the students, rang-

ing from the ketchup containers in the lunchroom, senior exams, a school mascot, to a Christmas tree in the Student Activities office are also important.

Another accomplishment was the establishment of a Student's Dress Standards Committee in which the students advise the administration on the latest styles.

The activeness of the Student Council is indicative of the harmony and respect which the students and administration hold for each other. The activeness of this Student Council bears out these qualities.

The Canned Food Drive is an annual affair at Bentley, bringing in thousands of cans for the needy in Livonia. Each class considers it an honor to collect the most, and competition often reaches high peaks. This year the Senior class reigned as winners, with the sophomores not far behind. Helping count the baskets of cans are Shirley Lancione, junior, and Barb Morrison, Senior.

Bentley Belles provide service for all

Officers of Bentley Belles, Mary Polancih - Vice President, Barb Springman Secretary, and Darlene Stalo - President, look over calendar of coming events.

Bentley Belles render their services for all social gatherings. The girls serve the school as official hostesses at many occasions such as the Senior and Junior Class plays and the many concerts put on by the Bentley Band and Concert Choir.

The function of the Belles includes greeting and ushering the many guests who are attending the various programs. Though their job seems small to some, the many clubs and organizations would find it hard to function without them.

Belles distribute programs at the annual Christmas Concert.

Young Moderns — Our future homemakers

Young Moderns attained their highest goals this year. They achieved much satisfaction through their volunteer work. These young girls are learning to become the homemakers of tomorrow. This year Young Moderns made a visit to the Little Tots Nursery School where they assisted with parties and games. Their Christmas spirit sparkled brightly as they prepared gifts for the less fortunate children at the Plymouth State Home. Their many contributions to society are to be greatly commended.

Girls lead youngsters with games at Nursery.

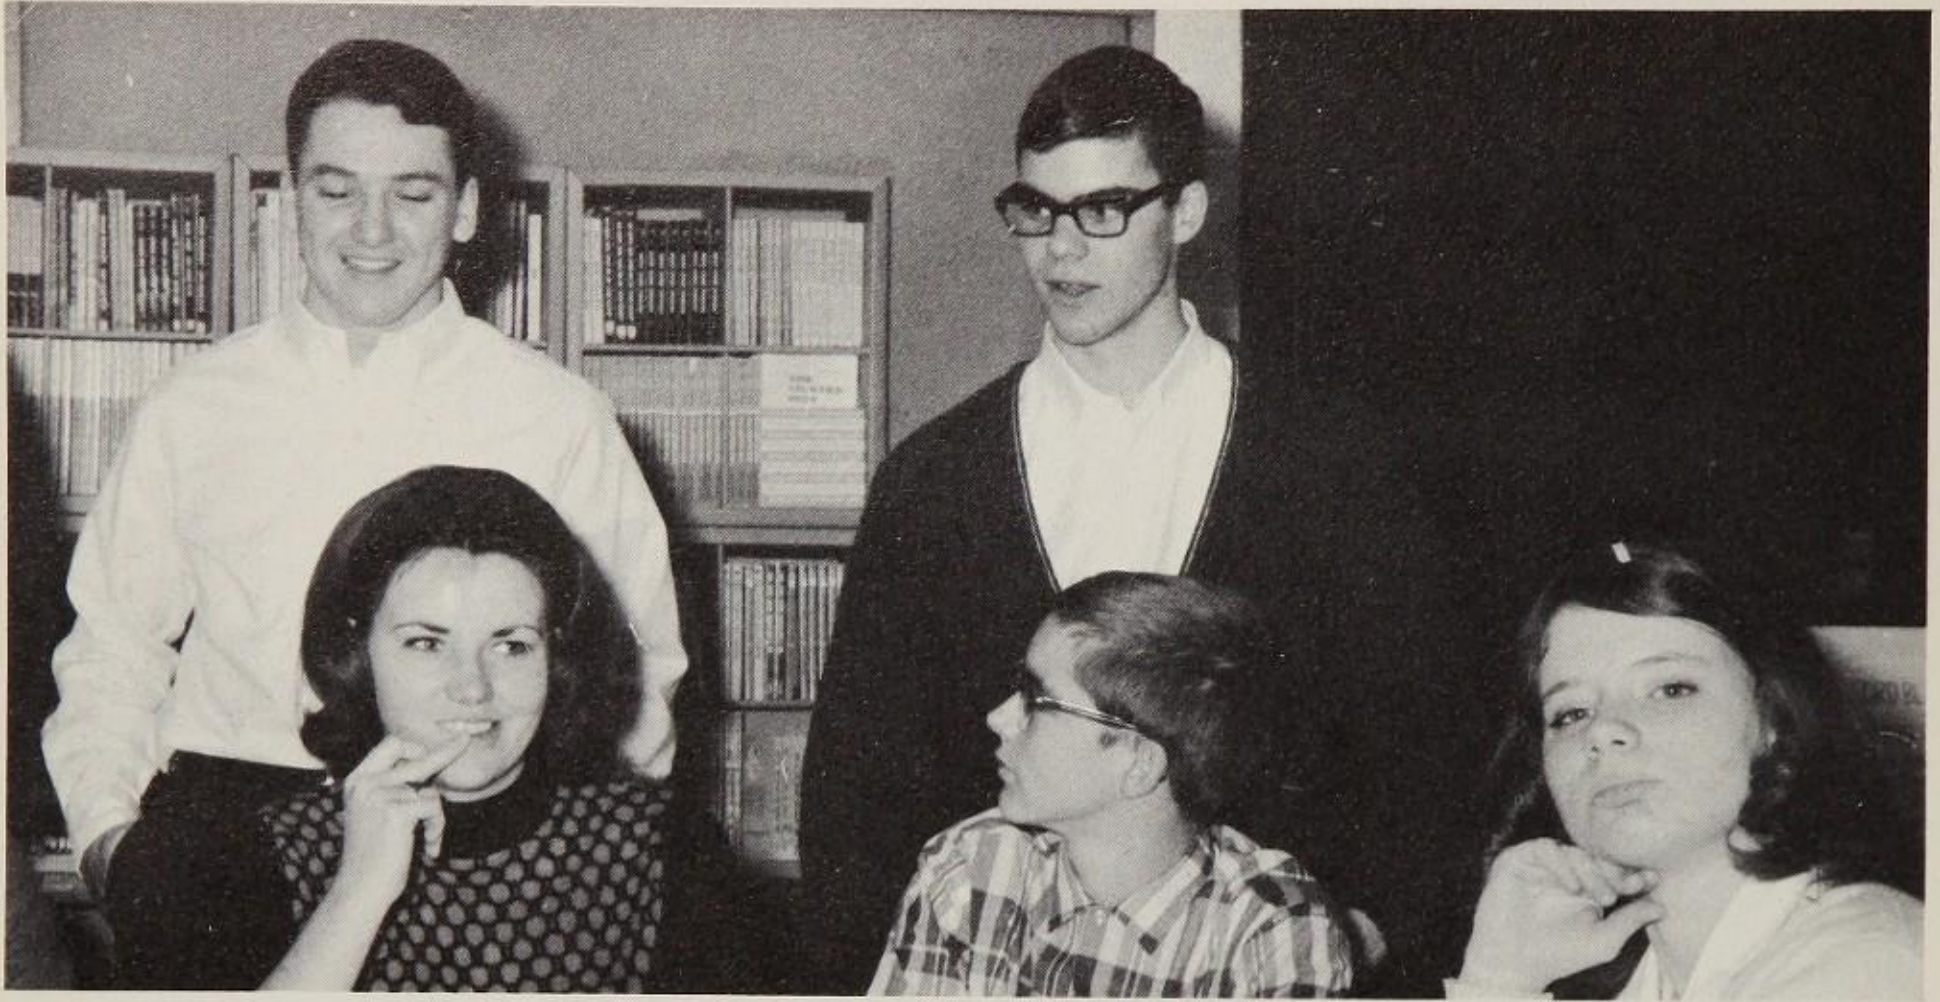

Young Moderns prepare refreshments, as Mrs. Borgen looks on.

The girls Christmas spirit is displayed, as they wrap their gifts for the children at Plymouth State Home. Right, they are preparing Christmas candies, for the holiday season.

Forensics furthurs education in speaking

M. McQuesten, M. McCullough, D. Rockwell, J. Weissmuller, and D. Bartusik, are making plans for the next Forensics Club meeting.

J. Weissmuller, K. Fields, D. Bartusik, and B. Winship are showing their enjoyment in the Forensics Club.

This year's Forensics Club is really working to keep up Bentley's tradition of good speakers. Giving speeches and readings, the Forensics Club has enjoyed this year's interesting and educational meetings.

Its members have been educated in new and helpful techniques of oral displays. These techniques will help them in discussions or speeches in their future years.

Science and Electronics Clubs probe future

Mr. Abar and members of the Electronics Club gather around one of the many instruments they work with.

For those students who are enthralled by the wonders of science, the Electronics and Science Clubs are the outlet they may choose to quench their want for extra-curricular work in these areas. The prerequisite for these clubs is curiosity; undying curiosity. With this, there is no limit as to where each member may explore. He finds, with every corner he turns, a new door to unlock, and new questions to attempt to answer.

With the guidance of the sponsor the members are allowed to focus their attentions on those areas which he or she is most interested in. Through actual experiments he may learn the answer to some pertinent questions bothering him. Or he may take part in a special field trip organized by his club visiting such places as a stately museum or just going a couple of miles away to a local quarry, which might even prove more interesting.

Science Club members investigate rock specimens.

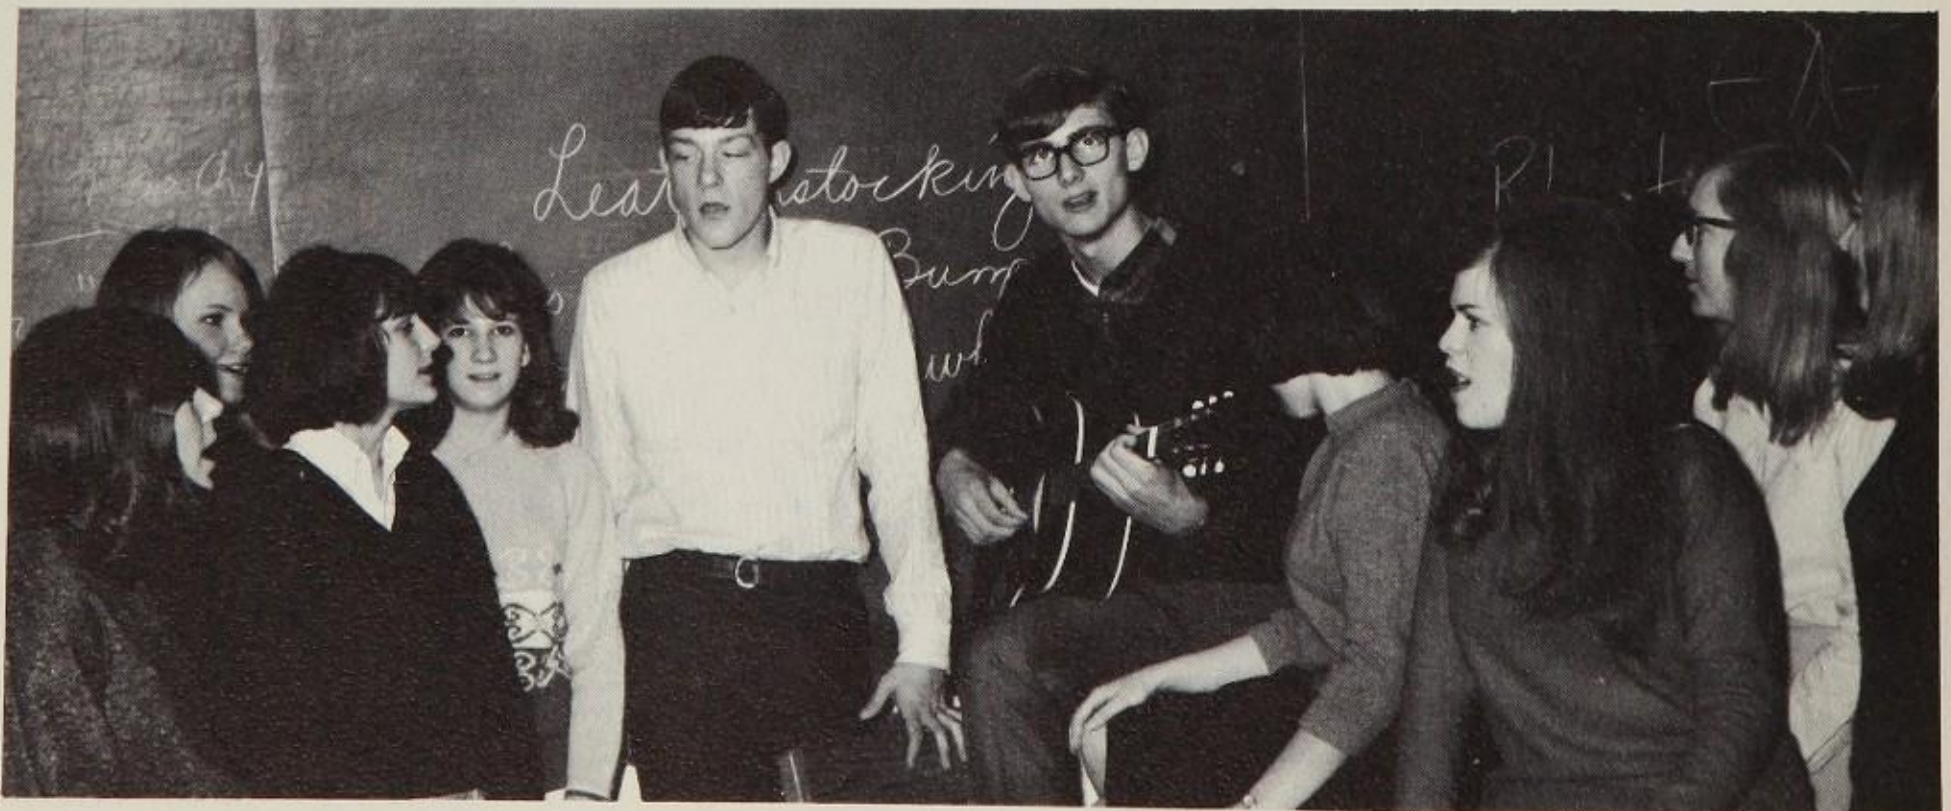

Ski Club officers examine their skiing equipment before they head for the slopes.

Two of the more talented clubs at Bentley this year, are the Folksinging Club, and the Ski Club. The growing trend of mastering the ski slopes is being captivated by all. The Folksinging Club has attracted many dedicated voices, and many other voices just out for fun. Both the folksingers, and the skiers are very enthusiastic about their spirited clubs which are open to all.

Ski and Folksinging Clubs very popular

Folksingers gather together as they sing their favorite songs.

The Spirit Club changes interest to action!

Spirit Club's main function is to promote spirit among the students. At Bentley, however, the Spirit Club finds no need to promote it, but rather to channel it to its most effective use.

Its activities this year included many imaginative ideas, one of which were the car caravans to football and basketball games. Each of them attracted long lines of honking and decorated cars proclaiming the glories and coming victory of Bentley.

Who could forget the spirit signs bedecking the halls and lobbies of the school preceding games? These were the art works of Spirit Club members.

Pep assemblies, too, were spiced by the lively cheers and excited speeches of the members.

The Spirit Club's activities were numerous, but without the general support of the students of Bentley its effect would be nil.

Spirit Club officers take a pause in their activities to pose for the camera. They are: Jared Lange, Treasurer; Bruce Abrams, President; Mike Hudak, Vice Pres., and Karen Thomas, Secretary.

Debate and M. U. N. discuss worldly problems

Bob Winship, Nelson Merrick, Bill Roberts, and Dale Yagiela who finished as the third best delegation at the M.U.N. general assembly give out with a Somalian greeting.

Model United Nations is a club that brings students up to date with world affairs. It also uses the students talent for public speaking.

In the spring, Bentley's Model United Nations members met at the University of Detroit Campus for the perennial Model General Assembly, with supporting information about their respective countries.

The Model United Nations Club gives its members the feeling of responsibility.

M.U.N.: D. Yagiela, C. Cogswell, C. Kolberg, R. Hwang, M. Polancih, D. Rockwell, A. Balla, R. Hobbs, J. Goulston, M. McQuesten.

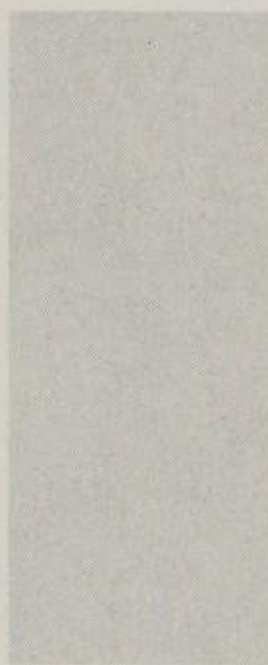

M. McQuesten, C. Kolberg, and D. Yagiela are getting ready for a big debate.

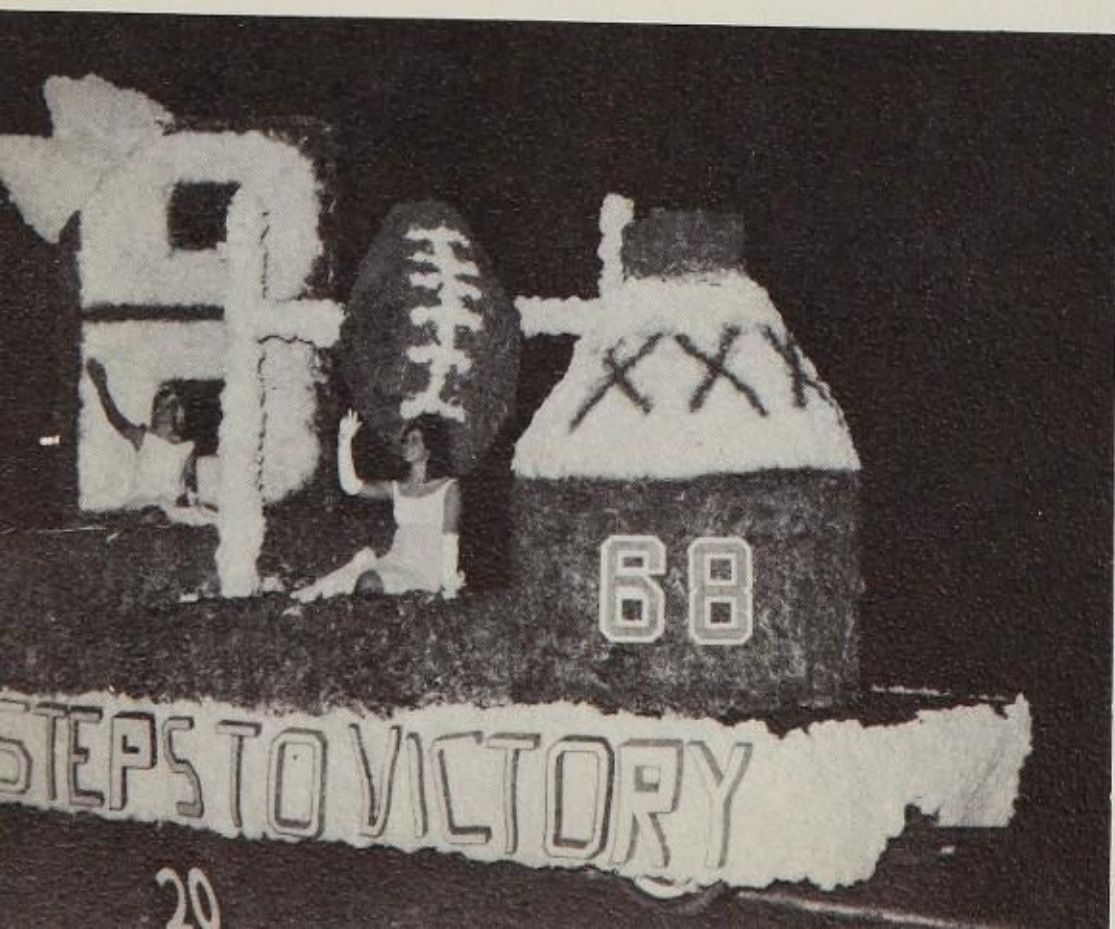

Jim Joy puts emphasis on his views.

Established to give students experience in the art of debating and search out the pros and cons of current problems, the Debate Club has seldom had members as proficient as those of 1967. Students were able to sample the skills of the debaters as they went into social studies classrooms for inter-club practice sessions. Hard work and diligent research went along with speaking ability and the flair for organization to give the 1967 teams their great success. Debating all schools in the Suburban Six League. The members of the club, Mark McQuesten, Bob Windship, Marge McCullough, Jim Joy, Sue Kolberg, Chris Kolberg, Jan Book, Dale Yagiela, Karen Fields, and Mark Wolikie, were presented with a distinguished plaque for their excellent efforts this past year.

The smiles on Mark McQuesten and Marge McCullough show debating is enjoyable.

The same feeling of spirit proclaimed in the 1966 Homecoming theme prevailed in the Bentley throng on that mild October evening. As each class and club float passed the stands at half-time, its loyal supporters made their presence known. Even the fact that Bentley was losing the game could not dampen the excitement in the night air as the 3rd quarter ended and the much anticipated announcement of the winning floats proved the juniors the winners of the class competition with "Three Steps to Victory", and the Science Club winner of the club competition with "Formula for Spirit", three steaming test tubes.

Homecoming spirit and enthusiasm brim over

Homecoming is a time of electric anticipation, heart-stopping announcements, heart-breaking disappointments, and overwhelming joy. A queen is chosen, and the mounting moments of hopes and fears come to a head, as Wendy Johnson reacts to the proclamation that she is Homecoming Queen for 1966.

Sharing in her joy is her escort, Gordon Goedde. A new queen is announced as the old one, Kim Bartholemew, unfastens the robe which will soon adorn her successor.

Homecoming Court for 1966: Kathy Densmore, sophomore; Leslie Hanson, Junior; Judy Clark, senior; Wendy Johnson, senior; Pam Brochman, senior; Sue Liedholdt, junior; Sharon Fitzsimmons, sophomore.

Language Clubs are enjoyed

LATIN: D. Ducharme, R. Newth, M. Casini, P. Peal, M. Taylor, K. Houser, S. Reynolds.

Bentley's after school curriculum includes language clubs. Latin, Spanish, and German clubs give students a better look at the world.

Spanish Club members learn dances, songs, and early customs of Spanish speaking countries.

The German Club members occupy their club meetings by planning field trips, seeing movies, and hearing lectures of the German nationality.

Students who have had at least one year of Latin plus an interest in Latin culture are welcome to the Latin Club. This year's meetings were filled with interesting discussions regarding field trips and guest speakers.

Before one the Spanish Club social gatherings the members find entertainment in playing a game learned in a prior meeting.

by Bentley students

GERMAN: C. Hodges, D. Grzywacz, S. Holfelt, L. Bodneck, B. Johnson show enthusiasm in singing German songs.

LATIN: Left: L. Dutton, E. Stewart, D. Alli, P. Peal, S. Fredenburg, S. Reynolds, S. Elliot, K. Houser. Right: S. Fredenburg, S. Reynolds, P. Spanile.

Dressed like early Romans, the Latin Club members put on a early Roman dinner. This was a good beginning for their year of enjoyment.

Student creative skills shown in Parnassus

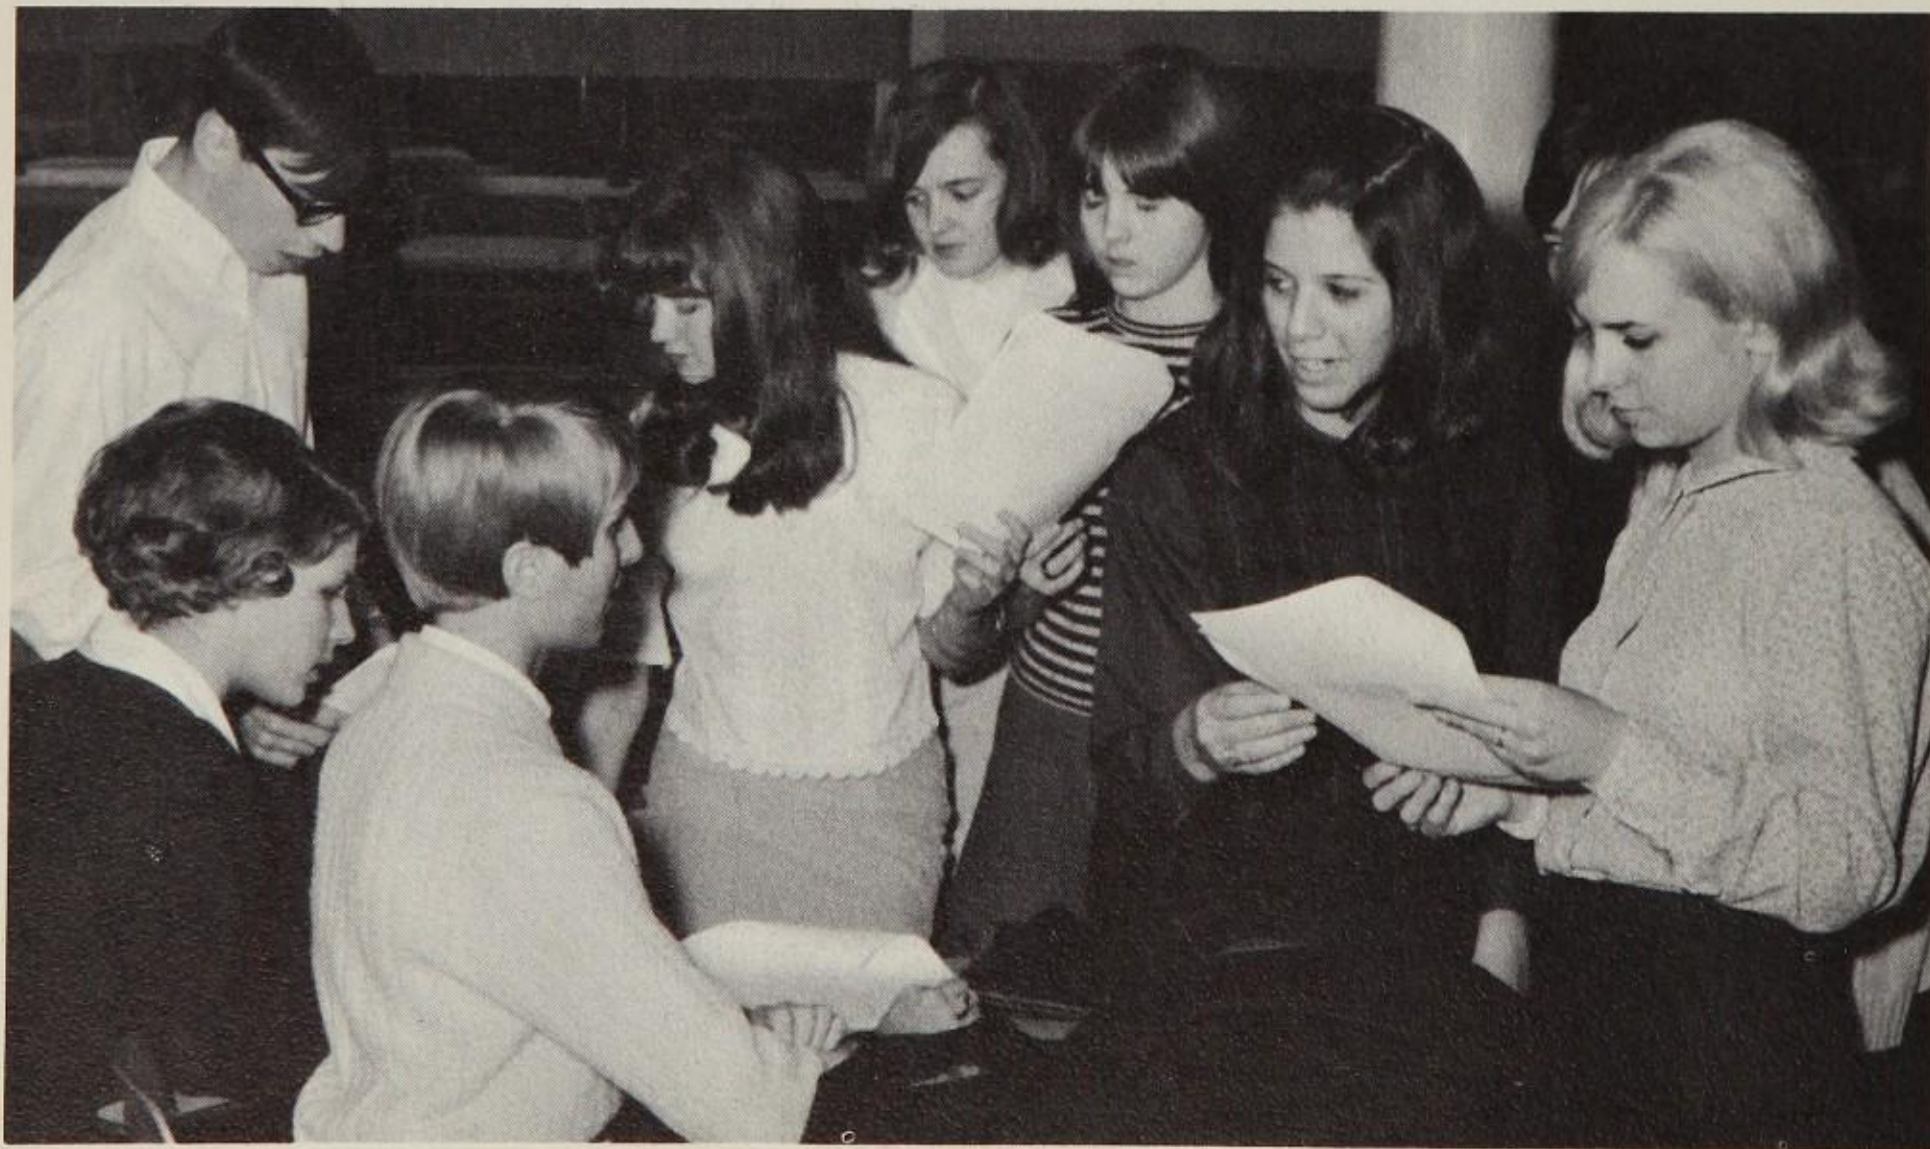

Mary Polancih, Nancy Tennenhouse, Darlene Stalo, Ivy Boycott, Dawn Bennet, and Diane Achterkirch discuss pictures of art entries.

Sponsored by Mrs. Segowski and Mr. Schuler, Bentley's all-school magazine was a big success. Parnassus includes Bentley students art work and well written poems and short stories. Every Bentley student has the chance to show his friends his talent through Parnassus.

The members of Parnassus find group enjoyment by reading entries, planning designs, and making layouts for the yearly magazine. The staff also enjoys activities like their toboggoning trip to Rouge Park last winter.

Here the Parnassus staff is reading and studying entries submitted for this year's magazine.

Modern Dance concert highlights year

The Drum and Sandal Club is one of the most expressive groups at Bentley. Each year they strive to better themselves through many hours of vigorous exercise and practice. The girls work to achieve much grace, poise, and stamina by their expression from dance. Their creativity makes their show an annual success.

During a strenuous rehearsal Pam Lloyd, and Linda Duncan pause to rest a moment.

The officers, President, Mary Dickie; Vice President, Cheryl Edmonds; Secretary, Linda Duncan; Treasurer, Pam Lloyd, seem pleased as they work on a new routine.

Karen Thomas and Terry Richter show off their elegant evening apparel to Diane Harris and her date.

Jim Cockerell and Linda Adorjan seem to find life as outhouses disilluioning.

Dogpatch Dolls snag a man at Sadie Hawkins

Mike Hudak isn't sure his date is Barb Marsh or something out of the funny papers.

Sadie Hawkins took her toll again this year as the male population of Bentley once more became prey to its charming femmes. The week before the big night was one of choosing a Daisy Mae and Lil' Abner to reign over the festivities, and each victorious girl giving her captive a patch signifying that he belonged to her.

Costumes ranged from Mammy Yokum herself to a pair of outhouses, who seemed to find Dogpatch-style dancing almost impossible. While other couples strutted in time to the Hoky-Poky.

The junior class booked Marryin' Sam for the night to perform the wedding rites and after the happy occasions a picture, to keep for posterity, was taken of each lovely couple. Prizes were given for the best costume of a girl and boy and the best vegetable corsage received special recognition, too. As the night drew to a close, each Dogpatcher tucked into his mind the nostalgic moments of their handsomely dressed dates, the hay and fallen apart corsages that decorated the floor and gave the gym such an interesting odor, and all the wild moments of a real hill-billy wind-ding.

It is obvious that operating a modern high school the size of Bentley can be an extremely difficult job. Inevitably the daily tasks fall on the principal, his assistants, and their secretaries. They must maintain a staff to carry out the school's program for the needs of the students.

During the Senior year, many decisions must be made concerning the students future. Dennis Cogswell uses the books provided to help make wise choices.

Many students find that adjusting to high school life and work is not as easy as they planned. Problems may arise, and to help the pupil, counselors are available.

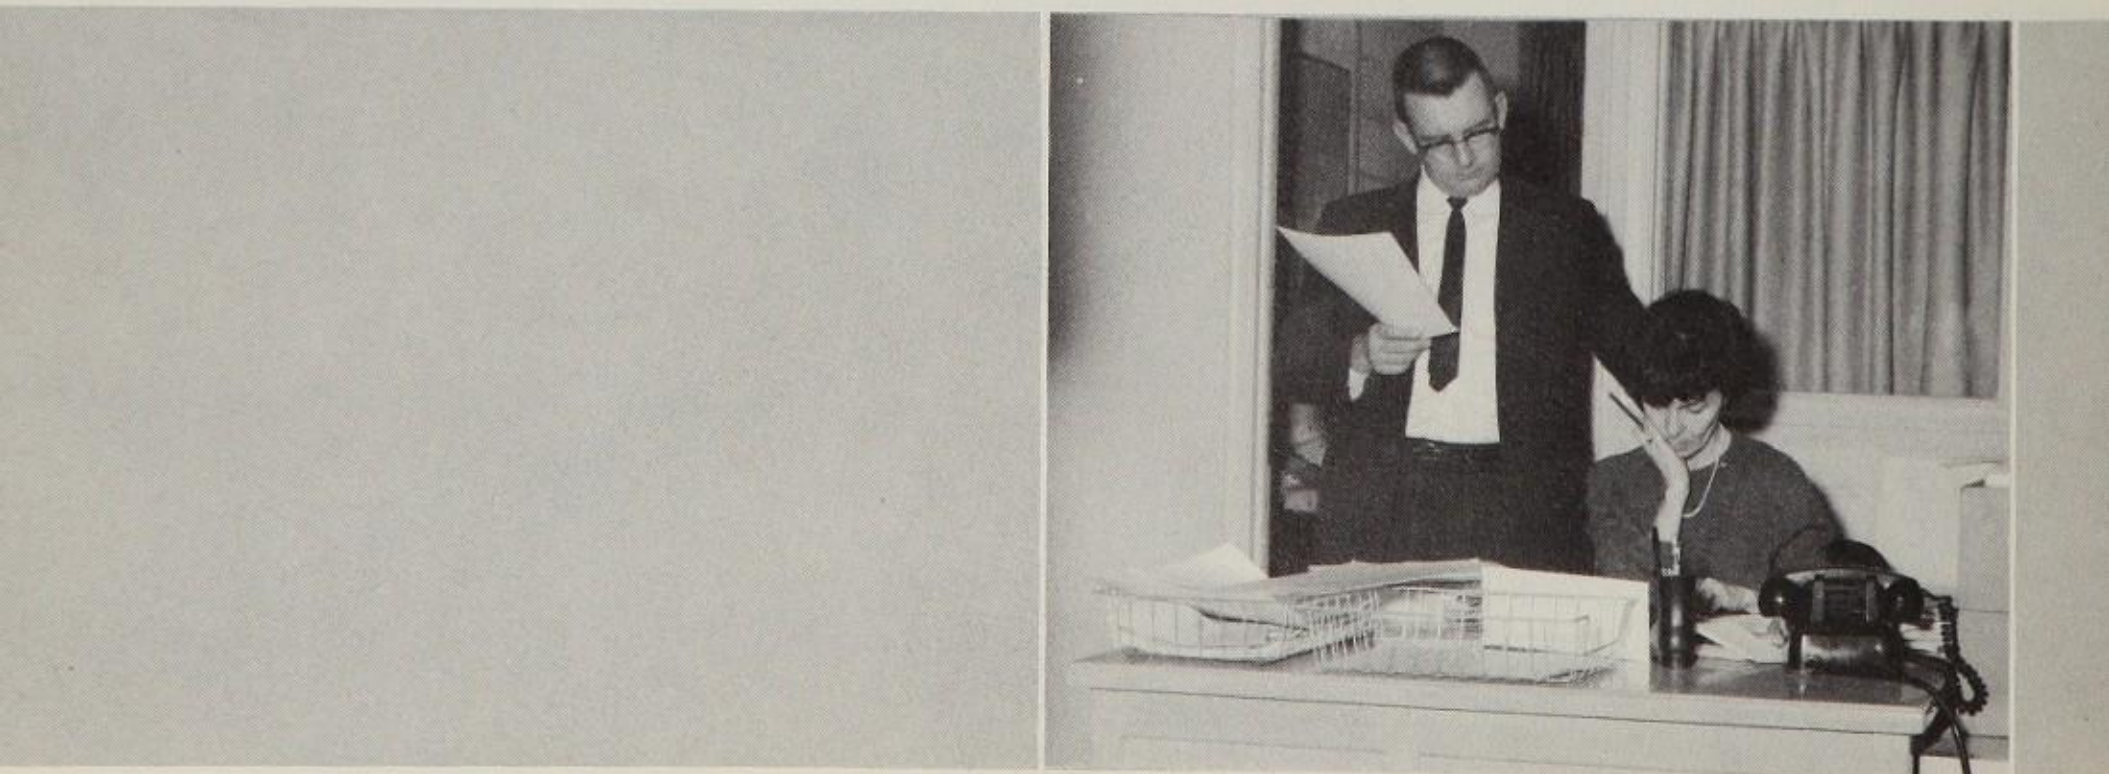

Counselors assist students in recognizing their capabilities and knowing how to use them to the best advantages. Classes are scheduled which will satisfy aptitudes and interests.

Guidance may also be obtained in areas other than scholastic achievement. Personal difficulties with student-teacher or student-parent relations are frequently topics of discussion.

Bentley's well-trained counseling department is indeed an asset to the future of many students.

English department

The English Department has strived to provide a varied program for the students here at Bentley. Being the largest department it is able to furnish classes that help students in special areas of English.

For example, in the area of reading, there is the Reading Skills Program to give extra help. For writing, there is Rhetoric. Other specialized areas include journalism, public speaking, forensics, drama appreciation, mass communications and humanities.

For students who have shown advanced skills, accelerated classes have been provided in the sophomore and junior years. In the senior year, there is the advanced placement English.

The English teachers have provided this specialized program in order to further help the students. The wisdom of these teachers has proved a big success and will further add to the success of Bentley High School.

Foreign language, an important asset to anyone

Today in this rapidly shrinking world knowledge of ours and other languages is a definite asset to anyone. Realizing this fact Bentley offers several languages, like German, French, Spanish and Latin for credit. The language courses are set up on a three year basis, and besides teaching the language of a country the students are also shown the customs, religions and culture of the nation.

Providing this instruction is accomplished by use of the language laboratory, foreign films and newsreels, and by actual exchange students at Bentley. All in all Bentley's Foreign Language Department prepares the students to face, converse with and understand the world around them.

experience for the future

Physical education provides variety for students. Here a student concentrates on weight lifting.

The home economics department of Bentley High School excels in offering a wide variety of courses for Bentley girls. Their goal is to prepare students for the future with experience and knowledge.

The home economic teachers realize the need to teach the girls about cooking techniques. Along with this, other unique subjects are included. The ability to plan meals and food nutrition. Also, the girls are taught how to budget their money.

In the sewing department, the girls learn about different fabrics and how to sew.

The course also offers the students a chance to express themselves creatively, in an interior decorating unit. The girls learn color coordination and how to arrange furniture. Also, a unit of child care is taught to prepare the girls for the future.

In concluding, the home economics course prepares Bentley girls with valuable experience and knowledge for the future.

Providing a good atmosphere, guidance, and excellent learning is the job of Bentley's teachers.

The new teachers that arrive every year blend the new experimental methods with advice from the experienced veterans and embark upon a year of many surprises. Returning teachers use their years of experience and once again endeavor to teach America's future citizens how to live, work, and learn.

Because of the high quality teachers that Livonia has employed, and will continue to, Bentley has been able to maintain the high scholastic average that she has achieved in the past. This high level of teachers and administration has enabled Bentley over and over to place well in national tests. Congratulations are due for a job well done and in keeping with Bentley's fine tradition.

gym classes

Emphasizing physical alertness and strength Bentley's Physical Education Department entered into the 1967 year with this purpose foremost on their minds. Warm autumn winds and sunshine helped express this through many touch football games; always a great source of mental alertness, teamwork, and pleasure.

Later as winter winds blew, the gym and pool afforded many varied activities. Basketball, swimming, and gymnastics proved the most popular as well as educational. The health classes although not actual physical exercise were fruitful as they improve personal hygiene, first aid knowledge, and the students' awareness of themselves.

Many fine concerts and vocal presentations are on the record for Bentley. A prime ingredient in this, Mr. Smith, is here conducting a practice session.

Keeping pace with modern

With the advent of the nuclear age, science has progressed rapidly unfolding new chapters of truly astonishing discoveries. Bentley is keeping up with these new discoveries and innovations through many ways. Constant updating of textbooks and other materials brings to the student the wealth of science's recent findings. Improving of old and building of new modern laboratories has greatly increased the process of learning by experience. Combine all this with a forward looking faculty and you find a formula for success that is hard to beat.

Not to be overshadowed is the wide selection of courses from which a student may choose. Varying from one end of the spectrum to the other the curriculum includes Beginning Biology and Earth Science to such classes as Physics and Electronics II. Thus consisting as it does the Science Department provides any curious student a lot to think about and do.

tradition of excellence

This year's Concert Choir once again lives up to the tradition of excellence set by previous choirs. The school can be proud of fine representation of Bentley throughout Michigan.

Choruses add vivacity to school spirit

Although "Without a Song" is the theme song of the Concert Choir this year, it applies to the whole vocal department. Without a song the wisdom of the world would be lost. For it is through songs that people express their thoughts and ideas.

The vocal department is composed of the Concert Choir, Selective Girls Chorus, Selective Male Chorus, Regular Girls Chorus, Regular Male Chorus and two Glee Clubs. By their songs, they express their love of music, enjoyment of singing and the honor of representing Bentley High School.

They are not only appreciated by the student body, but also by other schools, where they give concerts. Their vivacity adds to the pervading spirit at Bentley High School.

The Bentley instrumental department, under the direction of Mr. Clark and Mr. Savola, excels in creating an outstanding performance of musical skills to the delight of Bentley students.

This department consists of the concert band, orchestra, and the junior band. The concert band is highly acclaimed throughout the state for its outstanding performances. The band can often be found at pep assemblies and athletic events adding to the spirit. The junior band awaits the day when they will have the opportunity to join the concert band. The orchestra also excels in its performances.

The most memorable event is the mid-winter concert. Bentley is very grateful for its outstanding band and orchestra.

The band expresses its vivacious spirit, in the homecoming half-time show, with their float.

Majorette, Sandy Waters, head majorette, Donna Ross, and majorette, Nancy Auten, lead the band in many outstanding half-time shows.

to successful careers

The Business Education Department is designed to prepare the student for a vocation in business. With the varied courses that they provide, it gives the student an overall picture of the business world.

Some business courses include business law, retailing, advertising, and business machines. The secretarial courses provide the student with a chance to develop skills in typing, shorthand, and book-keeping.

Many students enjoy the facilities of the Business Education Department. It provides them with the ability to obtain business jobs. The Business Education Department is another opportunity which leads to the success of Bentley High School.

Yearbook and Echo staffs capture and record

Interested Pioneer students Greg Coleman, Jay Schrieber, Dennis Cogswell, Margo Hagel, Chris Krumpoch, Gail Stewart, and Barb Marsh gather around copy editor Sheryl Cohen and editor-in-chief Jane Johnson to examine yearbook layouts.

Gary Tyler, Diane Harris and Jo Sawka reminisce over past yearbooks while looking for inspiring ideas.

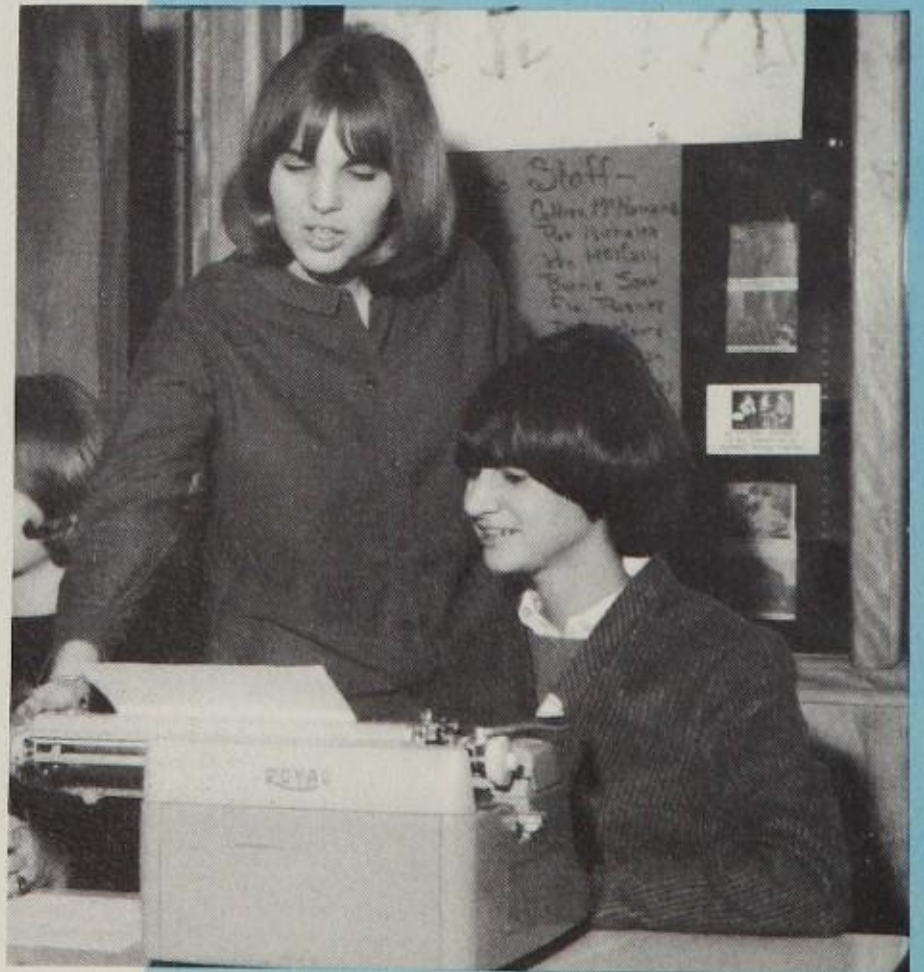

Bentley High School is proud of its outstanding achievements in its publications of the Pioneer yearbook and the Echo newspaper.

The Bentley Echo provides the students with an informative array of all extra-curricular activities. Among these are sporting events, clubs, school plays and dances. The writing achievements of the Echo staff are demonstrated through the skills they exhibit in writing their articles. Along with the newspaper, the Echo staff sponsors the Homecoming Dance and the Spring Frolic.

The Pioneer staff displays its outstanding abilities in preparing the yearbook. The staff must crop pictures, write copy and lay out pages. Many hours are devoted to the development of the yearbook. The 1967 Pioneer yearbook presents the school with an all-around look of the past school year.

Both the Echo and Pioneer staffs work hard in recording memorable events.

Need a car repaired or a guitar made? Want a promising young man to work in your plant? Well if you do Bentley High has just the man you desire.

Emphasizing practical experience as well as knowledge Bentley's Industrial Arts Department provides the student with all the skills he needs to start working after high school or to go on in his chosen field. Through such classes as Wood Shop, Machine Shop, and Automotive Mechanics Bentley students learn the methods through instruction and put them to use in the lab sessions.

Realizing the need for comparison with other high schools to see how well Bentley shapes up against them the Industrial Arts Department entered the annual Plymouth Troubleshooting Contest. It was in this competition that Bentley placed first like she has in previous years, proving truly that the Industrial Arts Department has something to be proud of and say they have accomplished their task.

Along with the education of a school, the maintenance is equally important. The custodians of Bentley High School exceed in maintaining the school for the students' use. Fixing lockers and providing the students with the facilities for extra curricular activities are a few of the many jobs the custodians do for the students. Without the night custodians, night basketball games and sock hops would vanish.

Along with the custodians, the cafeteria staff also adds to the running of the school. The cooks furnish a varied menu to provide a well balanced meal for both students and faculty.

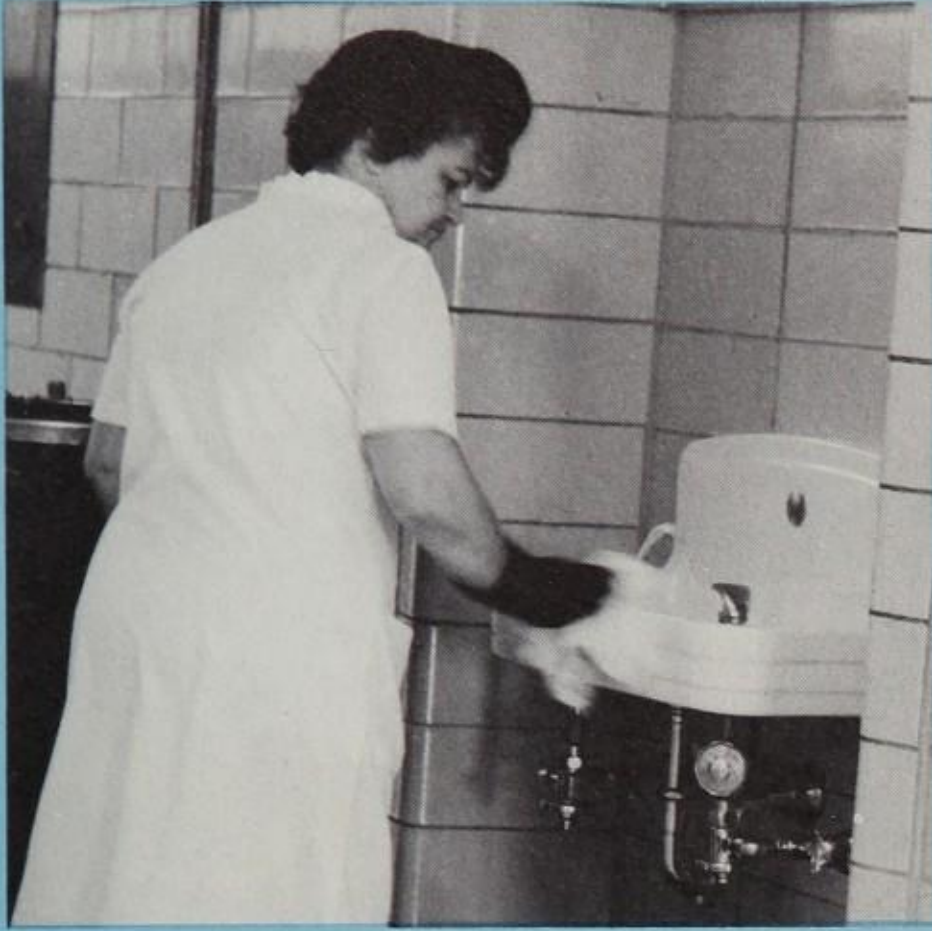

Both the cafeteria and custodial staffs have a goal to strive to maintain Bentley High School to the highest standards possible.

Betterment

Bill Roberts

Dennis Bramigk

Rich Staky

Peggy Moore

The class of 1968, a class with great potential, displayed this by electing efficient and energetic leaders, Bill Roberts - President, Dennis Bramigk - Vice President, Rich Staky - Secretary, Peggy Moore - Treasurer. They boosted the class to success on many different occasions.

The year was highlighted with a first-place float. "Three Steps to Victory" which brought the Juniors their first triumph.

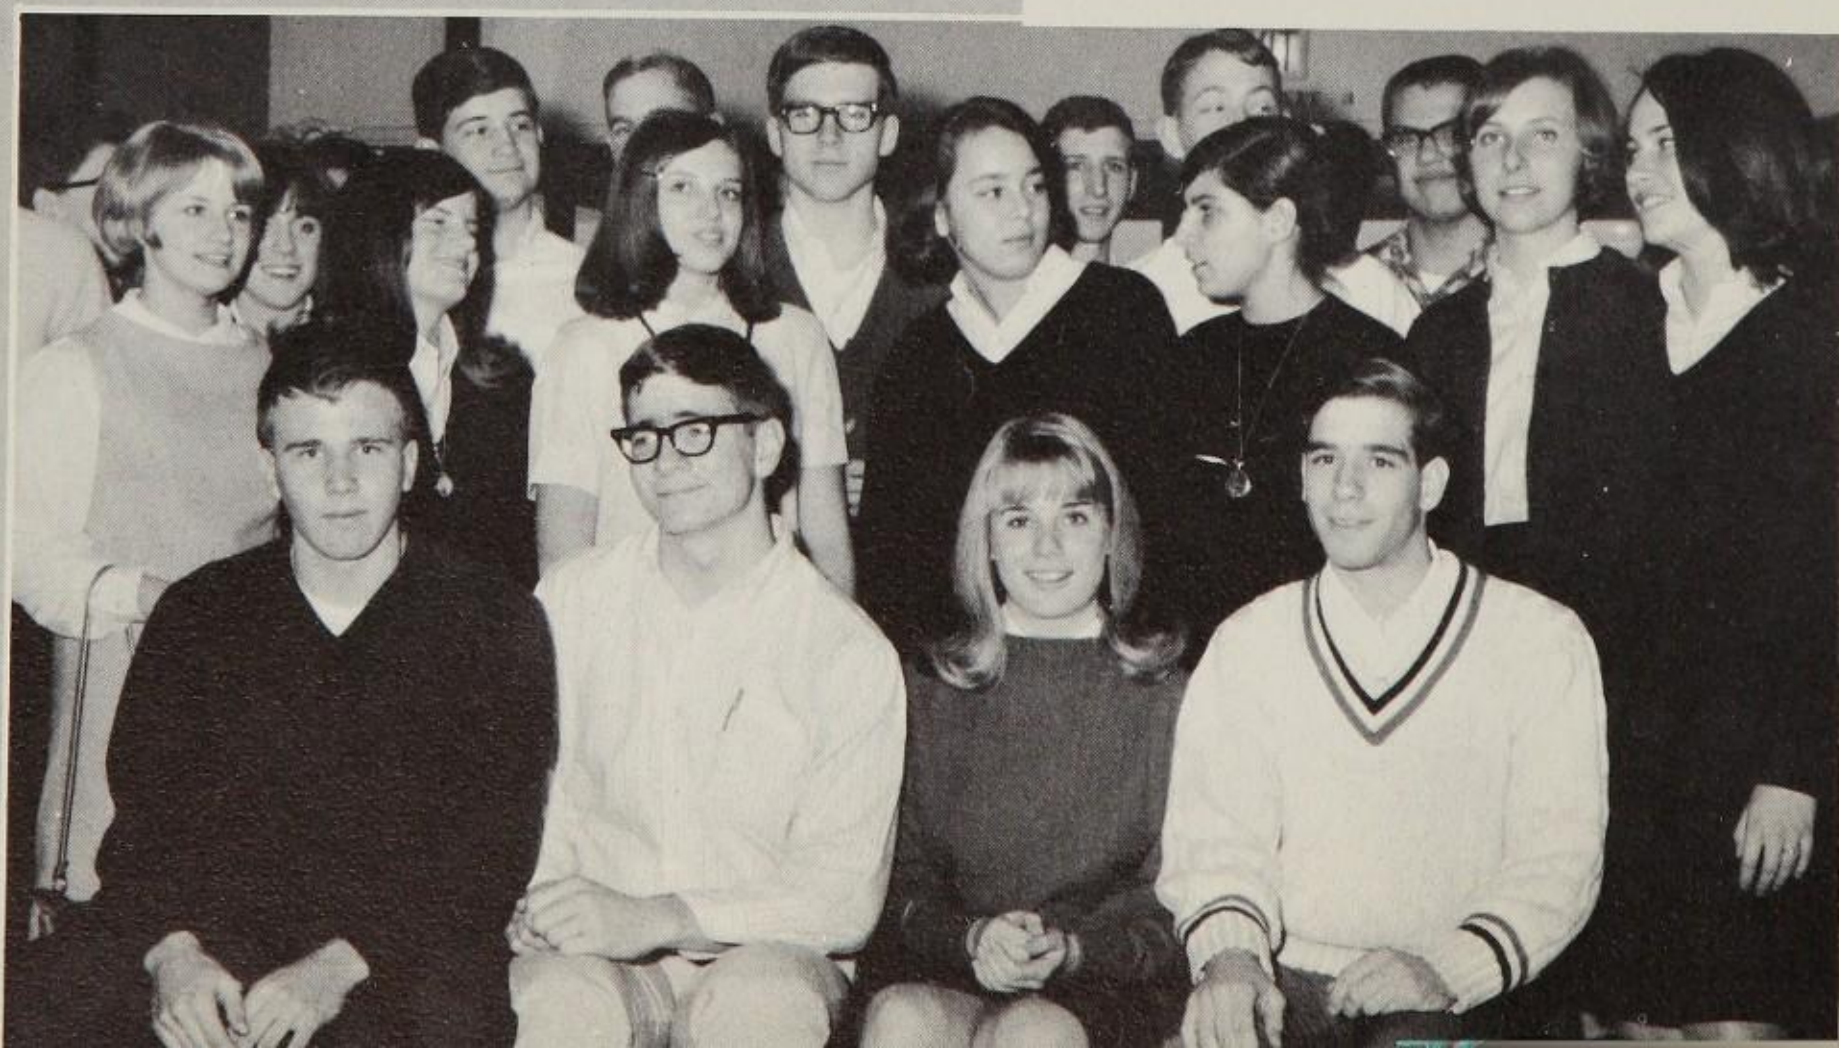

Sadie Hawkins was a successful evening with everyone enjoying themselves. Next came the Junior Prom, "An Arabian Night."

The year was ended with a great Junior play, "Harvey."

As anyone can see, this was really a great year for the 1968 Juniors.

A high point of the school year was the Sadie Hawkins dance sponsored by the Junior Class. Gaily clad in Dogpatch attire, over 400 couples enjoyed a fun-filled evening.

The women captured their beaux and dragged them to visit Marryin' Sam where the young men received their wedding rings and were photographed as "proof" of the transaction.

Ladies had full command, including the driving, opening doors, corsages, and dinner.

Chivalry is still alive, even if among the opposite sex.

Bulldogs barely miss tie for championship

Greg Coleman, who was the team's Most Valuable Player, boot-legs the ball as he looks downfield for a receiver.

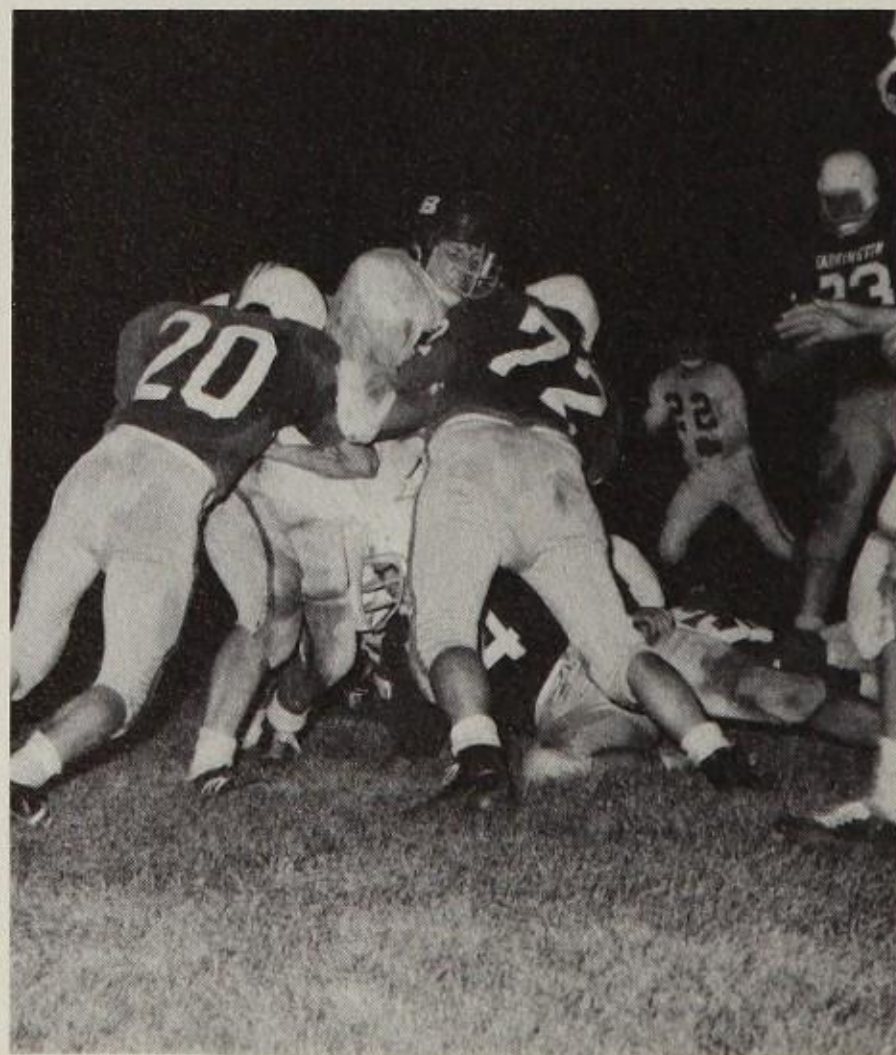

The Bulldogs rallied to win three of their last four starts and square their season record at 4-4. Bentley started what appeared to be a bright season by losing a heart-breaker to Farmington, and then dropping a 27-21 thriller to Dearborn, after a great fourth quarter surge.

The following week, Bentley bounced back to knock off Redford Union, before being nipped by Allen Park. Wins over Plymouth and Belleville, brought Bentley within striking distance of a first place tie with Trenton. The Trojans were out to avenge two earlier losses to Bentley which had destroyed perfect seasons for them. Bentley could not handle Trenton's power and was overwhelmed, 48-19.

The Bulldogs were not to be denied the City Championship, as they held off Franklin in the closing minutes, for a 14-13 victory on a cold, rainy afternoon.

It is interesting to note that although Bentley only had an average season, they outscored the 1965 undefeated team, 144-126.

Tackle Larry Haggart throws a block to help spring Ken Jackson loose.

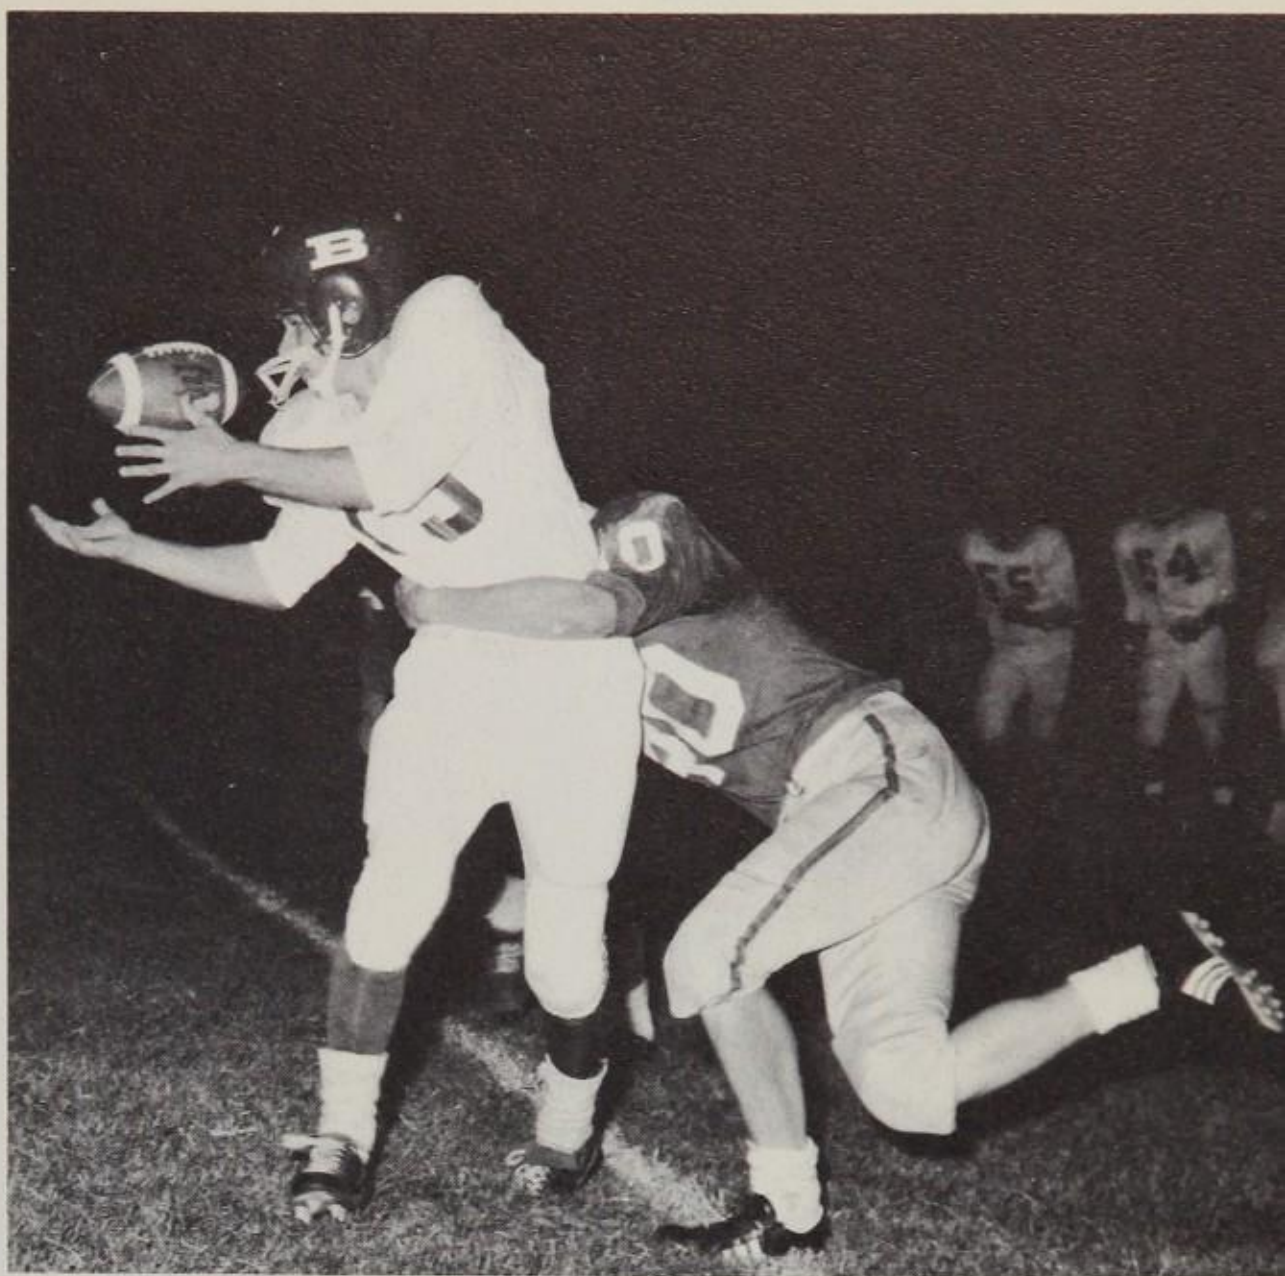

Each year the team chooses an individual who has that extra "something." He is the guy who combines leadership with athletic ability. This year's Most Valuable Player award went to senior quarterback Greg Coleman. Coleman made the All-Observer team and was selected on the second All-League squad. Excelling as a "scrambler," Greg was known for his ability to keep a cool head.

Bentley's other All-league members were hard driving fullback Kevin Hooker, and Rick Dudzinski, an end with great speed. Dudzinski, like Coleman, was a member of the All-Observer team.

In addition to Hooker and Coleman, Jim Matevia, Ken Jackson, and Larry Good gave Bentley one of its greatest backfields ever.

Bentley's best linemen were Dan Doyle, Frank Miller, Bob Pavlinski, Rod Wilbur, Jeff Soehnlein and Al Vasaris.

Special note should be given to Jacques Albaret, a French foreign exchange student who was the team's kicker.

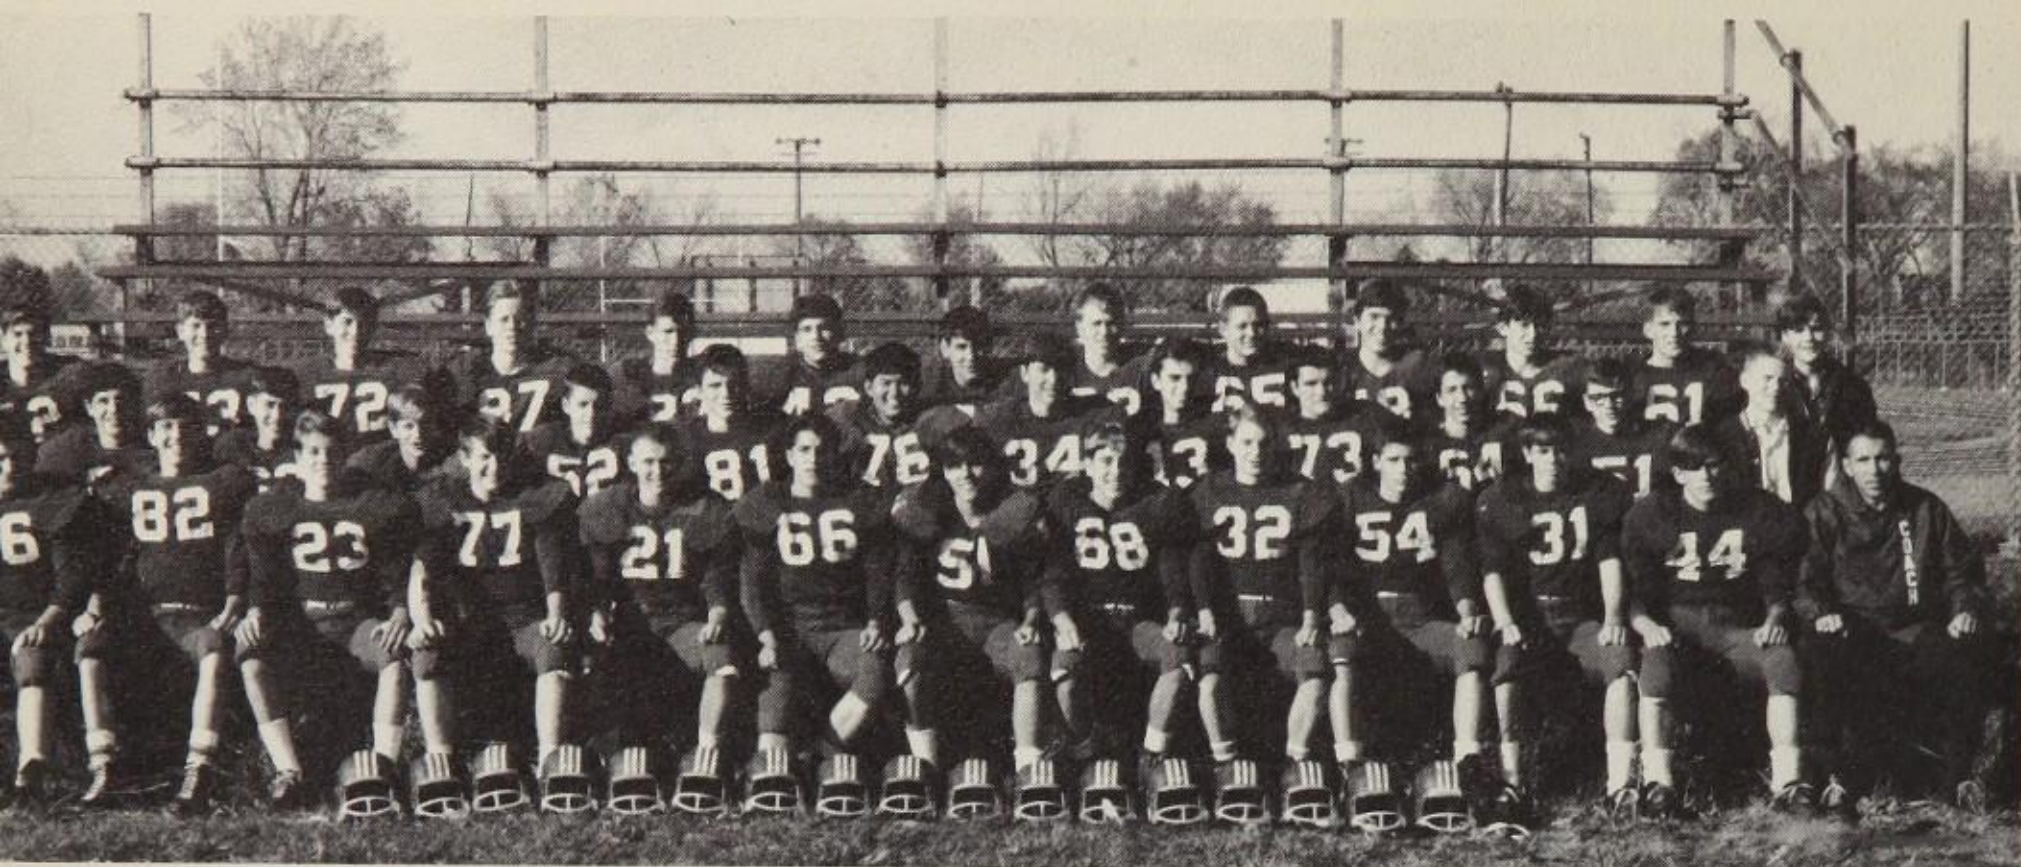

Larry Good hauls in a pass despite the efforts of a Farmington defender.

Reserves 5-2 mark good for first place tie

Once again, as has become somewhat of a tradition, the Bentley reserves finished well over the .500 mark and shared with Belleville the Suburban Six Title. The Bulldogs started the season out on a winning note as they overwhelmed Farmington 25-0. They then traveled to Edsel Ford where they suffered one of their two setbacks before a strong Thunderbird team.

Showing no signs of letting down they came back strong winning four out of their next five games. Bentley's lone league loss was at the hands of Belleville, in a game that went down to the wire. The reserves were finally nosed out by a single point, 20-19.

Perhaps the sweetest victory of all was the win over arch-rival Franklin, 27 to 20. Unlike the score indicates, Coach Knipschild's team dominated play throughout the game.

The Bentley reserves had a fine crop of sophomores as three of the players, Tim Malone, Bill Rice, and LeRoy Watson found spots on the varsity. With the absence of Malone and Watson in the reserve backfield Bobby Cascaden and regular Dennis Taylor filled in with standout performances and were the team's leading rushers.

This struggle for the ball, in the Plymouth-Bentley game, typified the play of the Bulldogs.

The 1966 Cross Country team enjoyed a fine season under the direction of Coach Fedraw. The harriers finished third behind Trenton and Redford Union in the tight league meet.

Other accomplishments include a second place finish in the Schoolcraft College Invitational, and a sixth among sixteen teams competing in the Redford Union Invitational. Bentley also earned a second in the Wayne Invitational, and fourth in the Clarenceville Invitational.

Sophomore, Roger Haggart, and seniors Gordon Goedde, Rich Wait, and Jim Thurmond, led the team to a 8-2 dual meet record.

Junior Tom McGhie, was the teams' outstanding runner, breaking Bentley records on the Cass Benton and Regional courses. He also finished twenty-ninth in the state, and was a member of the All-Invitational team at the Schoolcraft meet.

The 1966-67 Bentley swimming team had the best season ever, racing to an 11-3 dual meet mark. Losing only to Allen Park once and Trenton twice, the tankers ranked among the top ten teams in the state.

Included in their long list of accomplishments was the breaking of six school records and the tying of another. Dennis Rogissart closed out a great career by breaking the Bentley pool and school records in the 200 yard freestyle (1:53.2) and the 400 yard freestyle (4:05.2). He also set the school mark in the 100 yard freestyle with a 51.6, and anchored the record breaking freestyle relay team of Bill Palmer, Dave Guthrie, and Ron Mehal which had a 3:37.9 clocking.

Other fine individual performances included a 23.7 by Palmer in the 50 yard freestyle for the Bentley record, and a 1:02.1 by Brian Donaldson in the 100 yard breaststroke which tied the previous mark.

Special mention should be given to the medley team of Brian Donaldson, Dane Trembath, Bill Palmer, and Ron Mehal which set the final school record with a 1:49.

Dennis Rogissart and Dan Schreiber surge off the blocks at the start of the 400 yard freestyle.

Despite its fine dual meet record, Bentley could do no better than third in the league meet. The Bulldogs finished behind Trenton, which tied Battle Creek Lakeview for the state championship, and Allen Park, which was fifth in the state team standings. Bentley qualified two men for the trip to Lansing; captain Dennis Roggissart in both freestyle races, and junior

Bill Palmer in the butterfly.

Although the team was dominated by many fine seniors, fine performances were turned in by underclassmen Dave Kee, Dan Schreiber, Bill Palmer, and Bob Jepson, thus insuring another good season next year.

Bulldog's 20 victories best in history

Larry Grimm and Greg Macy weave their way through the Ypsilanti defense on route to a Christmas Tournament victory.

Bentley's basketball squad achieved new heights of accomplishment becoming the first team to win twenty games. Included in their achievements were the Suburban Six title and the runner-up spot in the Northwest Suburban Christmas Tournament.

In post season play they raced through the districts beating Franklin, Garden City East and Stevenson. Making their way to the finals of the regional, they had an off night and fell to a tough Catholic Central team.

Rich Waite was elected Most Valuable Player by his teammates as his spirit, hustle and enthusiasm exemplified what Coach George Fefles called, "The most unselfish team I've ever coached." Greg Coleman, Mike McCauley, Greg Macy, Ed Ryan and Larry Grimm were chosen as co-captains.

Senior guard Mike McCauley and junior center Ken Bollin made the All-League first team, and forward Greg Macy the second. Larry Grimm and Greg Coleman were picked for Honorable Mention.

undefeated league season in fourteen years

The Bentley basketball team established themselves as one of the strongest in school history. They were the first team in Bentley's history, as a Class A school, to go undefeated in league competition. They also established a new scoring record as they trounced Redford Union 97-70. This broke the old record that dated back to 1953 as Bentley romped over Clarenceville 90-64.

It's hard to believe that this team developed into such a powerhouse. For at the outset of the season Bentley had only two returning lettermen, Larry Grimm and Ken Bollin. Neither of these boys had started throughout the '65-'66 season.

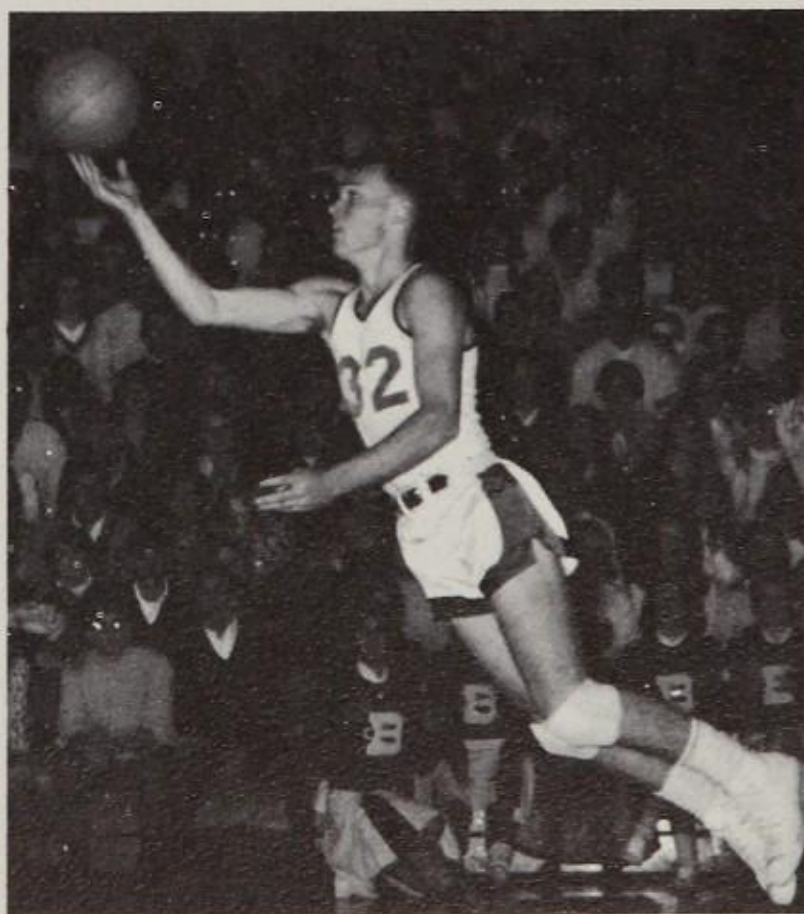

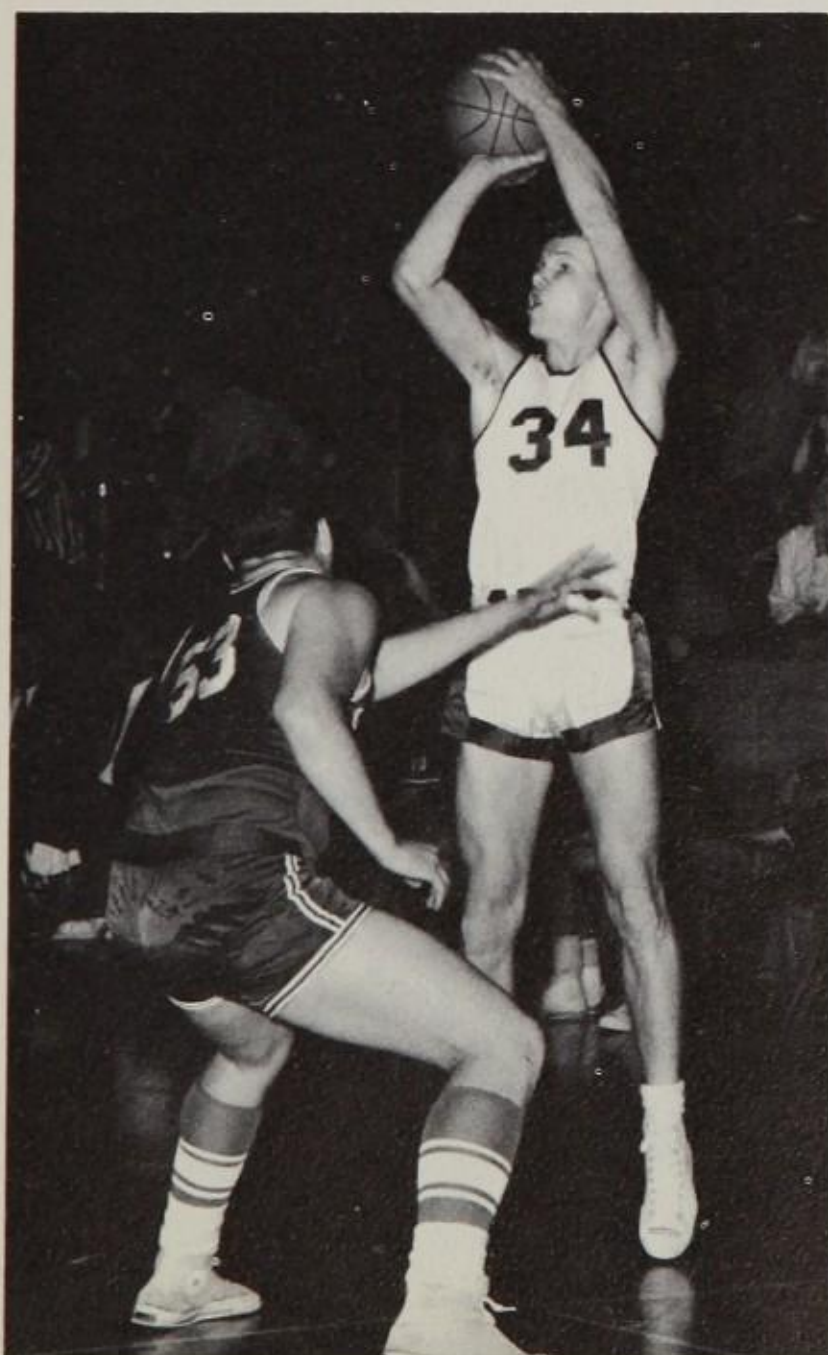

This situation would be a nightmare to most coaches, but not so for Bentley's coach, George Fefles. With a group of relatively inexperienced varsity players, he molded them into a highly polished, well-rounded, and very successful scoring machine.

The Bentley cagers had a knack of hitting the open man; led by senior guard Mike MacCauley, who time and time again fascinated the crowd with his unbelievable passes. Another bright spot in the Bentley line-up was forward Greg Macy. He often times led the scoring attack, and along with Ken Bollin, dominated the backboards.

Gaining valuable experience for next year, junior forward Dan Doyle pops in a deuce.

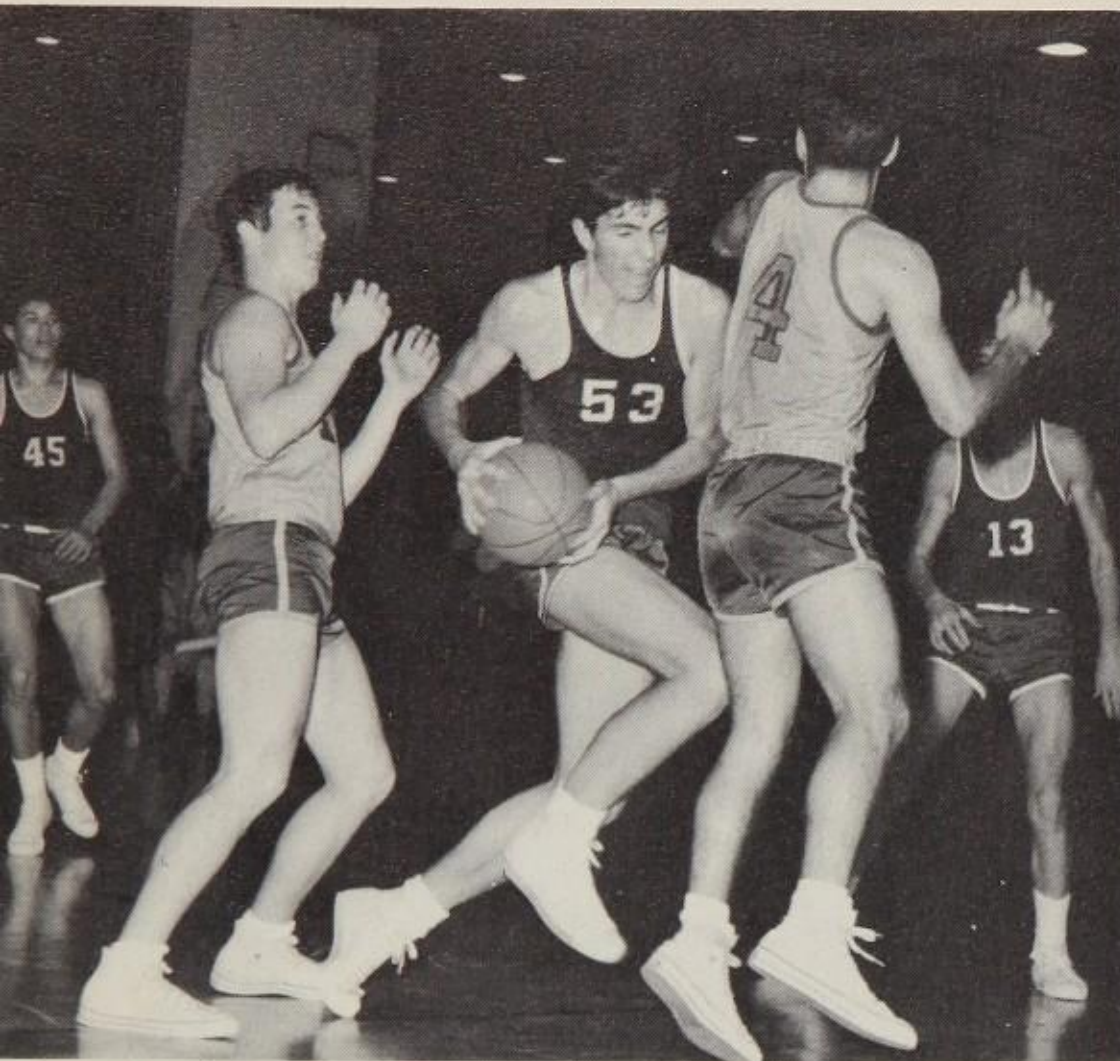

Larry Grimm emerged mid-way in the season as a leading scorer and strong rebounder.

All eyes are on Mike "The Rock" MacCauley as he puts the finishing touches on a fast break.

Reserves win second

Walt Blacha hauls down a rebound against Redford Union while Marc Chiasson and Marv Hurlburt look on.

The Bentley reserve basketball team enjoyed another excellent season, following the varsity's footsteps and winning the junior varsity championship for the second year straight. Counting this season's 13-2 mark, Mr. Timmon's charges have amassed a great 49-9 record the last four seasons.

The reserves had a good balance, starting Marv Hurlburt and LeRoy Watson at guards, Mark Chrasson and Gary Haugsby at the forward's spots, and 6-5" Walt Blacha at center.

Hurlburt was the team's leading scorer, reaching a personal and team high of 28 points against Belleville. Haugsby and Blacha were the big men on the boards, using their height to good advantage.

The reserve's only two losses were both on the road, to powerful Flint Northwestern, and in an upset to scrappy Plymouth.

Grapplers post winningest season

Bentley's wrestlers had their finest season in Bulldog history. The matmen finished the wrestling year with a most impressive 17-5 record. After much sweat, many pounds, and a few tears, the Bulldogs closed the '66-'67 season.

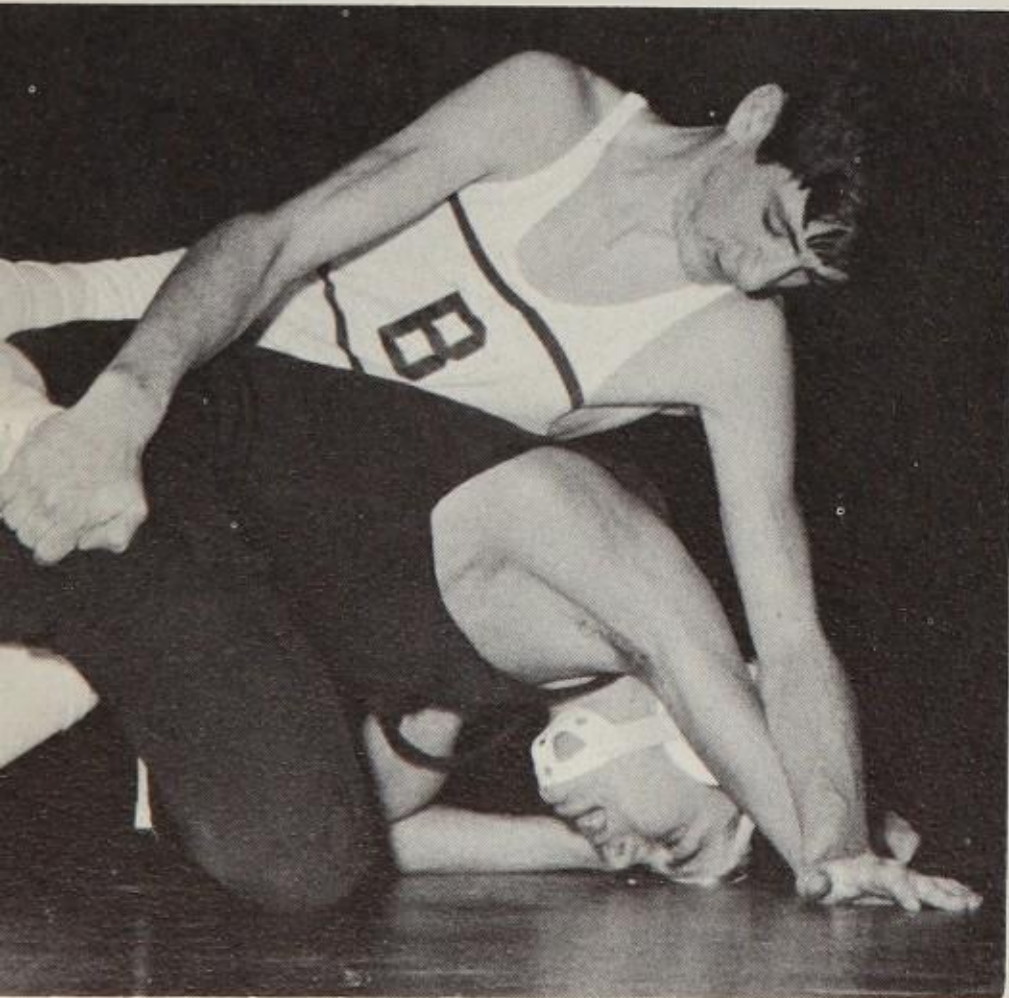

Highlights of the season included a quadrangular meet, where Bentley played host to Catholic Central, Romulus, and Garden City West. The musclemen took five firsts and a second. Doug Belnap, Dave Begdorian, Dave Reagan, Mike Dow, and Peter MacGregar took top honors. Bentley walked off with a decisive 41 points for first position.

As the season wore on, the grapplers came to the Waterford Invitational meet. In competition with seven of the toughest teams in the state, Bentley with 91 points, was edged out of top spot by Clio which had 97. Taking firsts at this meet were Jim Thomas, Dave Begdorian, Dave Reagan, Peter MacGregar, and Joe Berto.

Dave Begdorian is quick on his feet as he moves out of the way of a double leg dive.

After a highly successful season, and second place in the league, the Bulldogs went into the league meet. Pete MacGreger pinned his Trenton opponent for the championship in the 165 lb. class. Bob Pavlinski, Rod Wilbur and Jim Thomas finished second.

This year's Regional meet was held at Ann Arbor. Many wrestlers felt it to be the toughest in the state. It was,

we weren't. Pete MacGregor, regarded as Bentley's best wrestler, broke his shoulder after the league meet and could not compete. The three wrestlers that placed were Dave Begdorian, Mike Dow and Rod Wilbur. Rod's second place was enough to send him to state, where he finished as one of the top ten wrestlers in the state in his weight class.

The 1967 track team had its work cut out in trying to improve on the 1966 season; for last year's team was perhaps the best in Bentley history. Included in their long line of accomplishments were: The Suburban Six Championship, the Western Wayne Relays title, and the Claude Snarey crown.

Records had fallen to Larry Grimm in the pole vault, Frank Miller in the shot put, Ken Jackson in the low hurdles, Doug Thomas in the 100 and 220 yard dashes, and Mark Formsma in the quarter mile.

All but four men were back to pace the 1967 team. An undefeated season seemed likely with such good returning talent. The 1966 team, under Mr. Fedraw, had missed a perfect mark by one meet; winning eight out of nine, only to fall to Ypsilanti, 59-50.

Optimism had to be high as Bentley opened the 1967 season in quest of its second league title.

The 1967 golf prospects seemed among the best in years, with Bentley sporting almost an entirely senior team. A first place finish was the golfer's goal, after winding up third in the league last year with a 9-6 record.

Steve Kazmer, the Michigan Junior Golf Champion, was Bentley's top man for the third year in a row. After winning the qualifying round, Steve represented Michigan in the United States Junior Amateur Championship in California, in the summer of 1966.

Coach McGlone also counted heavily on senior veterans Mike Hudak, Al Cieslak, Bob Huddleston, Paul Hebda and Rodney Yaich. It was this fine group of golfers that helped Bentley finish fifth in the regionals last year.

Mr. McGlone, who was in his seventeenth year as Bentley's golf coach, shows Bob Huddleston and Rod Yaich the finer points.

Coach Marty Klozik had to be jubilant, as any coach would be, over the fact that he had all nine starters returning. Ed Ryan and Dave Gorton, members of last year's All-League team, led in the hitting and pitching departments. Bentley also had two honorable mention players back in Greg Coleman and Pete MacGregor.

John Schroeter and Jim Powers were among a fine contingent of juniors who played as back up men.

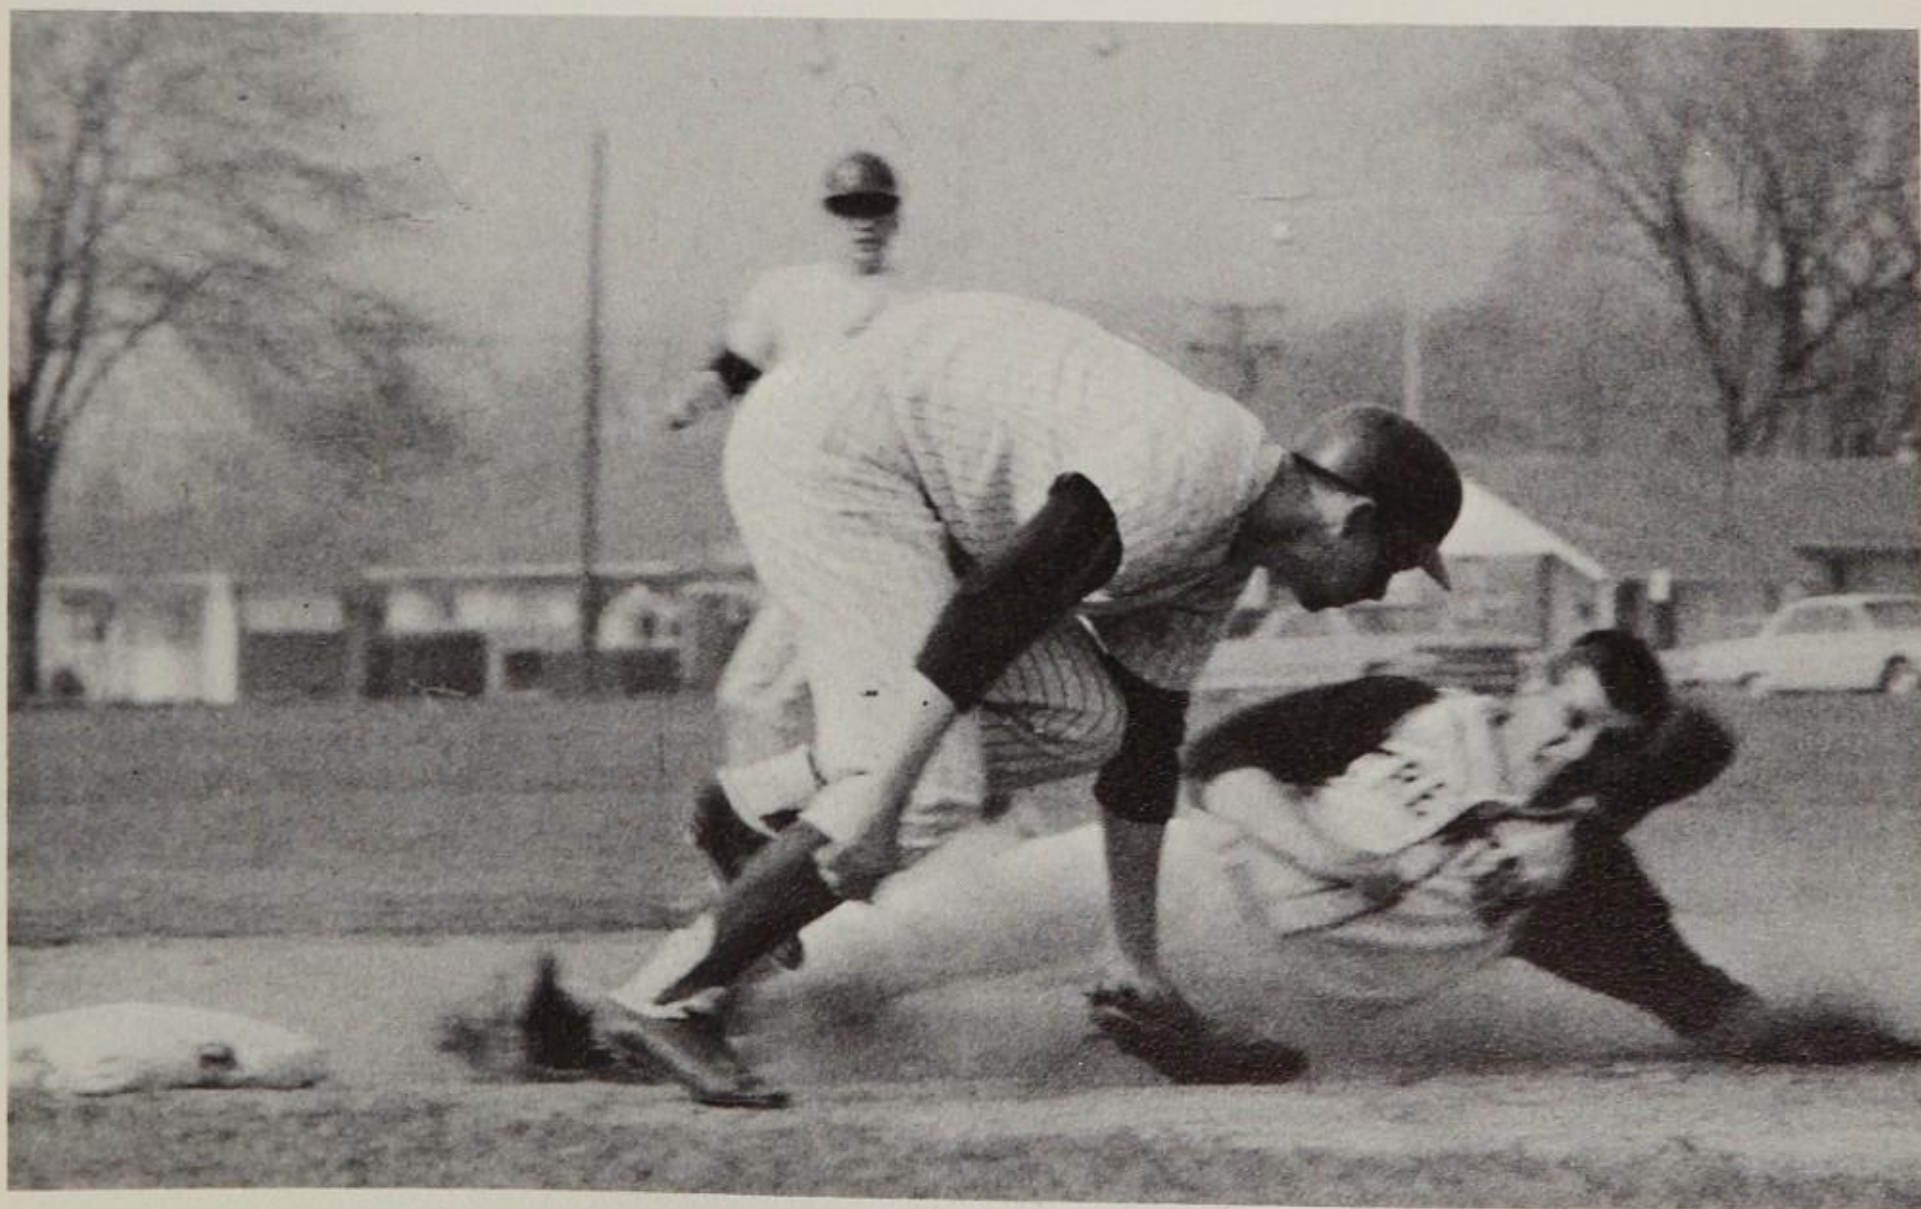

Hard-throwing Bill McAlpine had the reputation of moving batters down one way or the other.

After finishing tied for second with Trenton in 1966, the Bulldogs were obviously out to improve on last year's 10-5 record.

Lettermen add strength

While delivering a powerful forehand smash, John Russel shows the determination that sparked the 1967 team.

Coach Whitefield opened tennis practice in mid-March, hoping to rebound from a near disastrous 1966 season. Playing with only one returning letterman last year, Bentley had slipped to a 2-7 record and a fourth place league finish.

Mr. Whitefield had good reason to be hopeful this year as he had all but one starter back. He predicted as high a finish as second place. He felt Bentley's hopes rested on seniors Gary Sivick, Gary Moss, and Kim Carlson, and junior Chuck Gillette. Mark Williams, John Russel, Ron Newth, Cliff Bergie, Kerry Guenther, and Duane Marino were counted on to add needed depth.

There was still some existing optimism on the team, despite a poor season last year, because the Bulldogs had defeated Franklin, Stevenson, and Clarenceville High School for City Championship.

GAA piles up an impressive record

Girls Athletic Association officers Jan Enloe, Chris Mack, Charlene Callahan, and Rose Calus discuss the purchase of the club's new sweaters. Below, the play gets fierce in a struggle for the ball in a field hockey game.

The Girls Athletic Association initiated the 1966-67 school year by obtaining new letter embellished sweaters. This proved to be a good start. The gals reached for and achieved sporting excellence in all their endeavors.

Field Hockey, basketball, swimming and modern dance gave these girls the challenge for this year, and they came out shining.

Basketball was a particularly bright spot. One of the victories which typified their winning season was a 35-4 decision over Stevenson.

As for the versatility of these gals, there is no question. A volleyball team composed of members of the club, defeated all comers at the Suburban-Six Sports Day. Their trophy for this towering achievement was the coveted "gold tenny" which they proudly displayed in the MPR showcase.

The sports-minded ladies rounded out their year with the Second Annual GAA Sports banquet, a toast to a winning and gratifying year.

Varsity Club becomes a service organization

The Bentley Varsity Club is an organization made up of all varsity letter winners. In the past year they expanded their activities from merely being a social club to doing a variety of services.

During the basketball season they helped control the large crowds at the games by ushering. The Varsity Club also sold programs at football games, to help the fans distinguish the players.

At half time of the basketball games it was customary for members Larry Good and Gordon Goedde to delight the spectators with a thrilling dust mop race across the gym floor.

The club also sponsored a dance in early June to raise money for activities which included a trip to the University of Michigan-Minnesota game at Ann Arbor, and a Pistons-76er's game at Convention Arena in Detroit.

Members of the Varsity Club hierarchy, President Gary Moss, and Secretary Doug Thomas, struggle for power.

Reserve cheerleaders gain future experience

Sue Le Fever, Jacque Rhoads, and alternate Bonnie Diegel, help spread enthusiasm at a home game.

This year marked the first time the Bentley junior varsity cheerleaders cheered for both football and basketball games. During the crucial Homecoming game with Trenton they joined the Varsity cheerleaders to help provide spirit. Competition for Reserve cheerleading began in late September of 1966, with over fifty girls participating. After extensive try-outs the squad of five sophomores and two juniors was chosen. In addition to their regular duties, the girls also cheered at pep assemblies and during the competition for the coveted Spirit Jug.

New cheerleaders boosts school spirit

1966 was marked by a dramatic change in the varsity cheerleading scene at Bentley. In addition to the regular squad which helped provide enthusiasm at football and basketball games, new cheerleaders were instated for swimming and wrestling.

The original idea was brought up by Kathy Kline, who noticed a distinct lack of attendance and cheering at the meets. Working with the varsity coaches for wrestling and swimming, Mr. Webster and Mr. Joiner, she was able to obtain Student Council and administration approval.

Because of the difference in the sports, completely new cheers and chants had to be created. The girls also had to sew their own uniforms. After exhaustive try-outs the new cheerleaders were chosen on December 8, 1966. They included Cheryl Angelo, Cindy Hodges, Pat Martin and Lorraine Petricelli for wrestling, and Marilyn Calleja, Maureen Kennedy, Kathy Miles, and Emily Serafa for swimming.

The success of the girls was evident in the fact that the tankers and matmen both compiled fine records. Attendance at the meets doubled, and there seemed to be a new interest among the students.

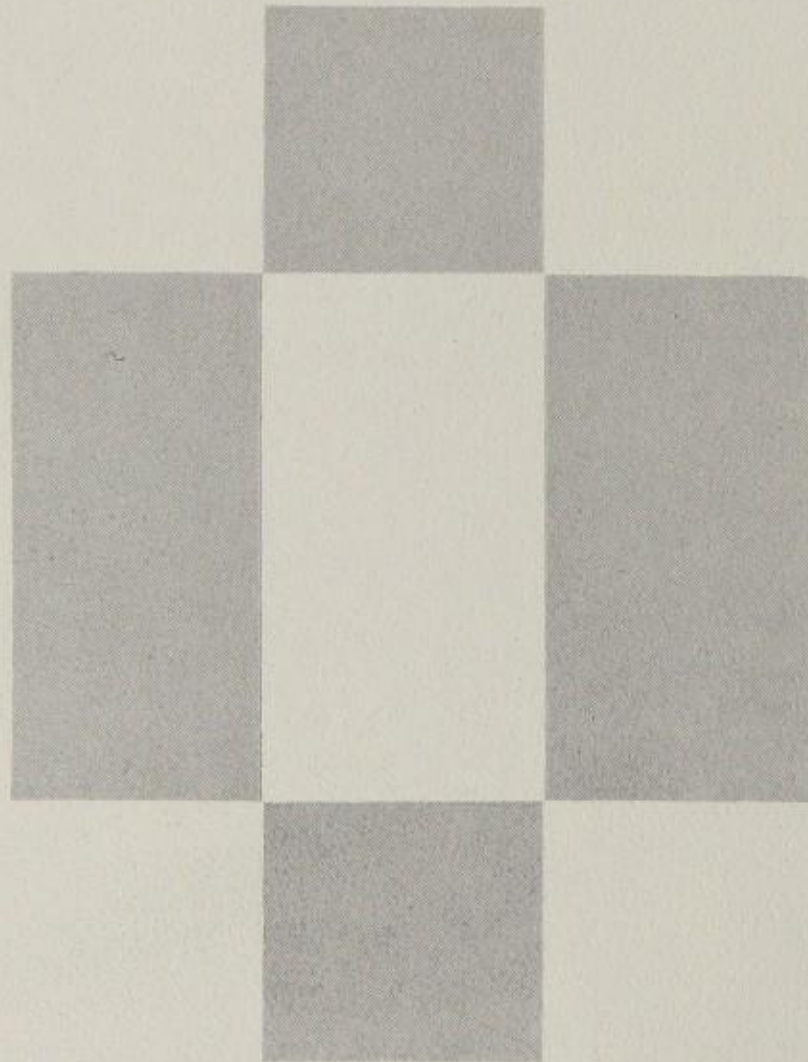

Cheerleading Captain Kathy Tipping adds her enthusiastic support at a basketball game.

The 1966-67 Varsity Cheerleaders were Linda Korver, Captain Kathy Tipping, Judy Enger, Wendy Johnson, Janine Slusser, Sue Upton, Jan Temple, and Cindy Cannon, alternate, not shown.

Seniors triumph with outstanding enthusiasm

Experienced after two years at Bentley, the Class of '67 was determined to make their final year their most memorable. Under the dedicated leadership of Roland Hwang and the other officers, plans were formulated through the summer months. To unite the largest class in Bentley's history and enlist the talents of all Seniors, it was decided that there should be open Council membership.

Organization and enthusiasm gave the Senior Class possession of the Spirit Jug and characterized their participation in all the year's activities. While tradition was maintained in an excellent production of *The Bat*, Seniors added diversity to the school roster with a WKNR Sock Hop. As graduation approached, efforts were concentrated on the Banquet and Prom.

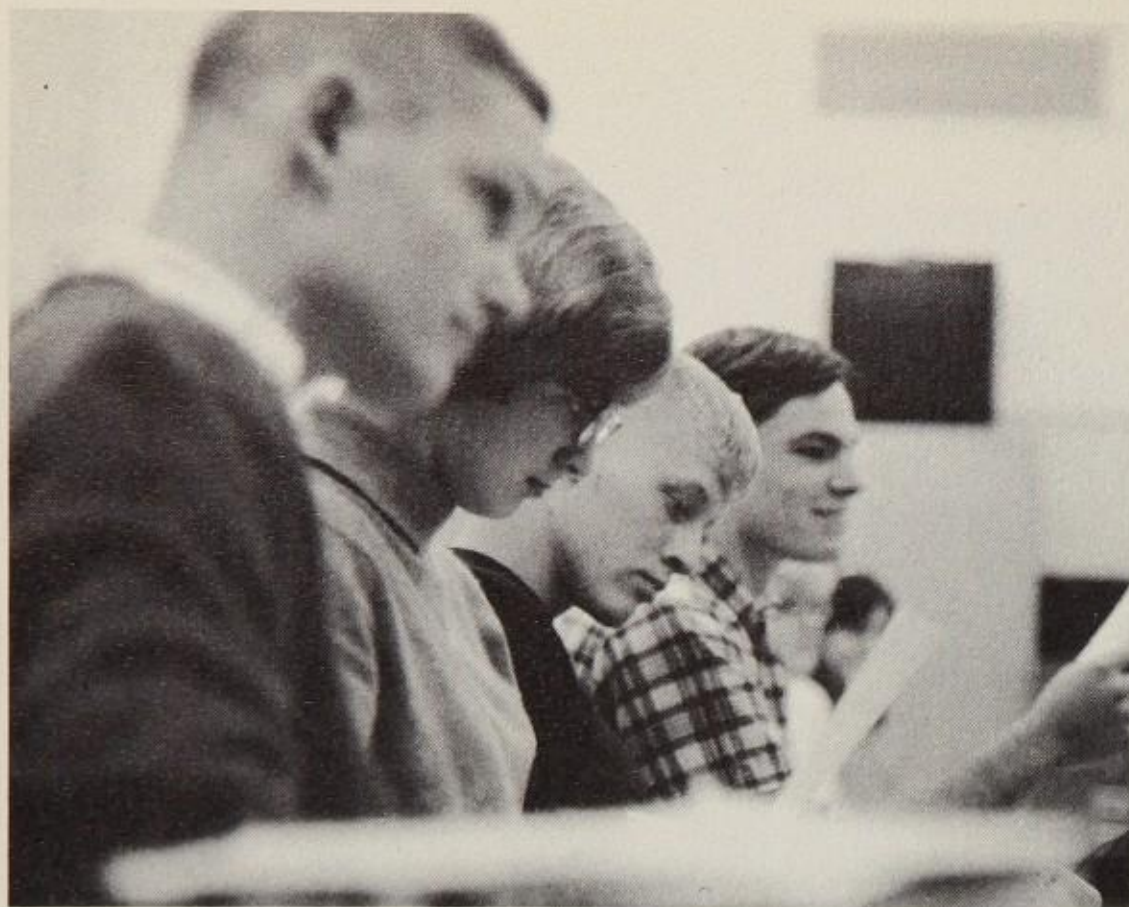

Although ambitious participation was an integral part of the Spirit of '67, Seniors made their final year far more than a blur of activities. Providing an example of leadership in the classroom and on the after-school front, they worked to solve problems and benefit the entire school. Each Senior could feel with confidence that the Class of '67 would long be appreciated and remembered.

Class Council meetings were held in the auditorium to allow all enthusiastic Seniors to take part.

Pictured above, the Class Cabinet discussed Senior activities.

Excited by the design of the Float Committee, Seniors rallied at the home of Chris Stewart to begin construction. A week's hard work and a flurry of flower-making culminated in a float which vividly expressed the importance of school spirit. Missing the trophy by a scant two points, "Spilling Spirit was a source of great pride to on-looking Seniors."

One of the highlights of homecoming was the Senior Float, graced by Judy Clark, Wendy Johnson, and Pam Brockman.

balls of Bentley

The byword of this year's Senior play was "mystery." From the moment "The Bat" was selected to the last moments before the final curtain, utter secrecy was maintained as to the identity of the murderer or murderess. Posters querying, "Who is the bat?" hung from the walls with an air of intrigue.

For a while even the cast was in the dark as to the solution of the mystery. Gathered for the first rehearsal of a concentrated six weeks' work, they found the last pages of their scripts missing. Mr. John Glanz nevertheless put them to work, and under his excellent direction and that of student director Bev Bettaso, "The Bat" grew to completion and underwent several grueling sessions of polish. The final professional touches were added when the costumes, set, and staging were finalized.

As Miss Cornelia Van Gorder stood horrified over the body of the bat, alias Detective Anderson, and the curtain fell, the applause of the filled auditorium was overwhelming. Many felt the play was the best in Bentley's history.

A murdered friend shocked Larry Harris.

Suspicious of each other, Terry Niles and detective Jim Joy exchanged biting words of disapproval.

Doug Thomas scanned blueprints for the hidden room.

Chairmen Doug Thomas and Paula Temple found visiting Bentley grads in good spirits.

Every year the Bentley High School faculty and student body set aside a day to welcome back former Bentley students. This year was no exception, as the Class of '67 hosted the annual Alumni Tea. The day proved to be both a memorable occasion for the alumni and a rewarding one for the Senior students.

Faculty sweat, tears, and determination

Apprehensive over last year's defeat, the faculty women fought tooth and nail and managed to eke out a meager victory.

It was a grueling battle right up to the finish, but the faculty women were able to maintain a three point lead to edge out the Senior girls 23-20 in this year's Senior-Faculty Basketball Game. Coach Mary Plumley had a lot of good talent to work with, but the extra experience and drive on the part of the women was just a trifle too difficult to overcome. Most important, however, and very evident to the crowd, was the spirit of competition and good sportsmanship displayed by all the players.

Prepared for a rollicking game, the Seniors added light-hearted color to a well-played game.

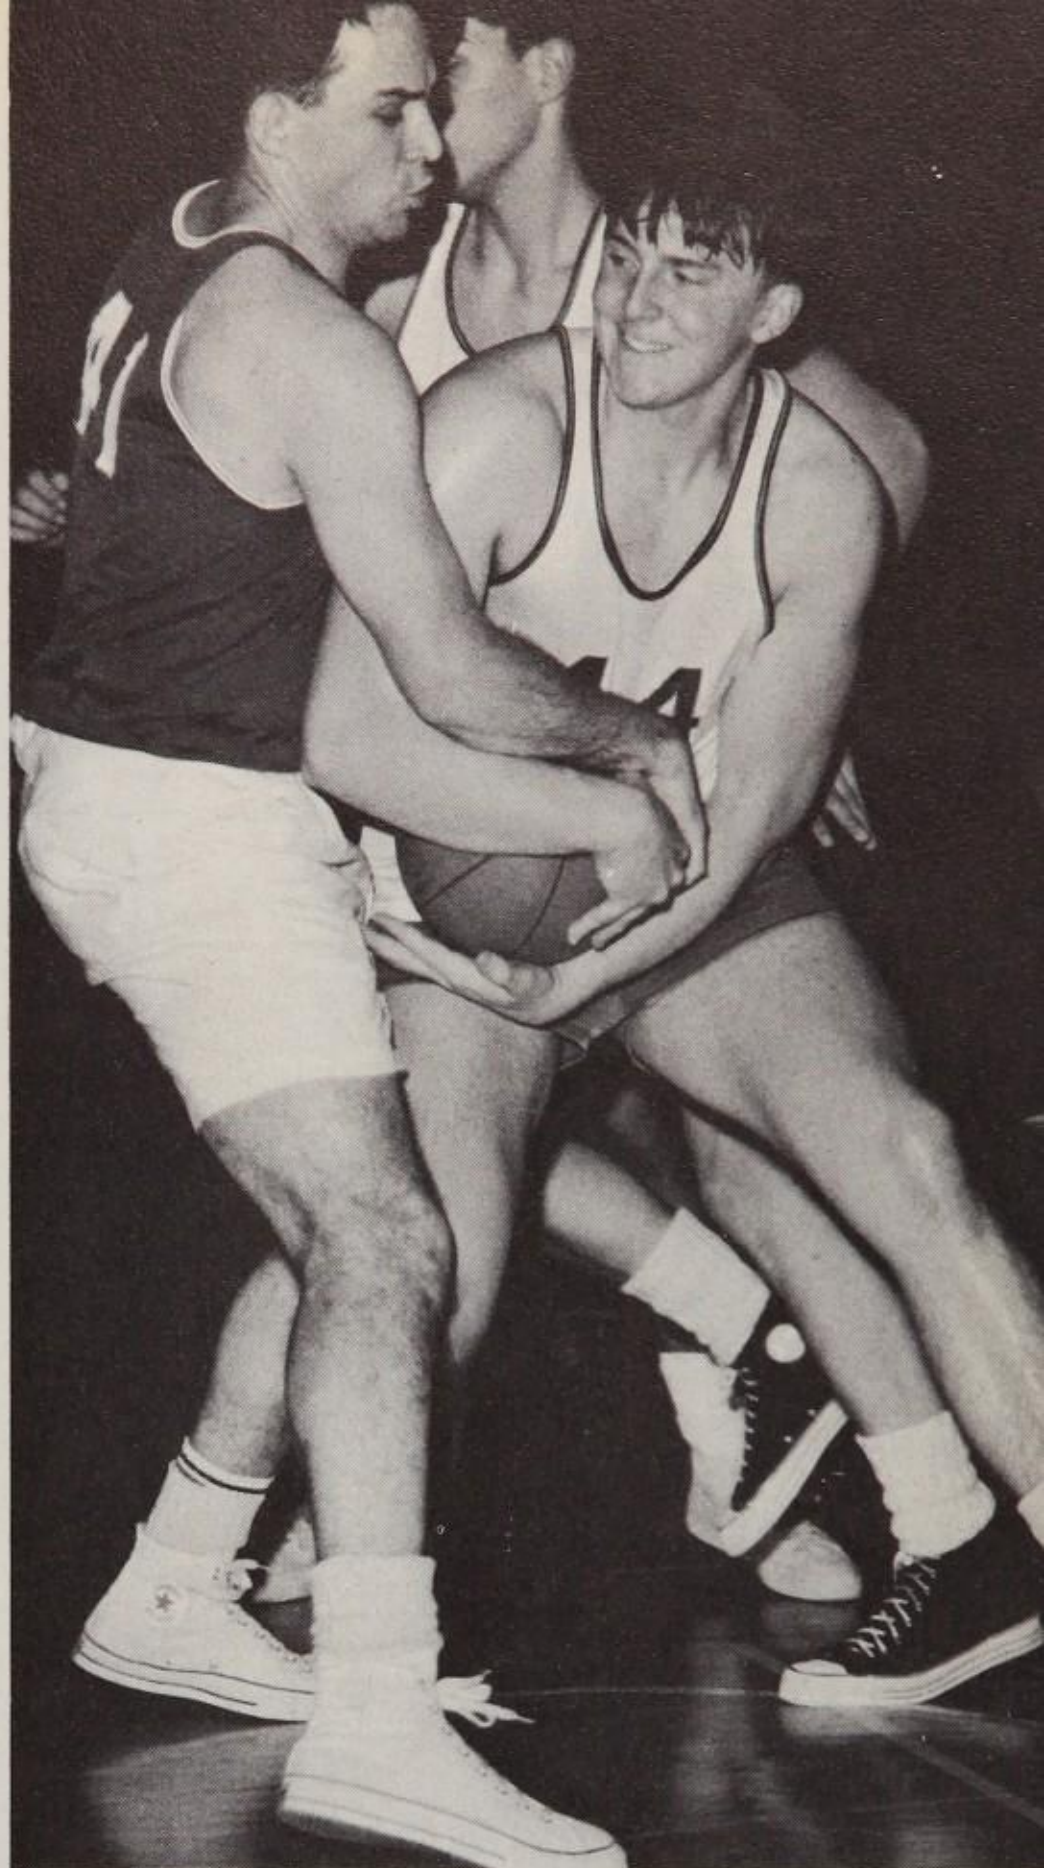

weaken Senior power

Overcoming the effects of old age, the faculty men came up with an amazing 48-38 victory.

The game between the men proved to be about the same story strategy wise. A reliable faculty source was rather wary as to who had the edge, being that this was the year for quite a few backaches, colds, and various stiff muscles. Whether or not this was a psychological maneuver on the part of the faculty, it appeared to have little effect on the Seniors. Coach Greg Coleman's official statement was: "Everyone gave their all. We ran, we played defense, and we rebounded well, but, more important than that, we substituted!" Competition was keen on both sides, but the Class of '67 was overcome by faculty flab, 48-38.

Combining good looks, youth, and vitality, the Senior boys gave their all.

Since this year's Canned Food Drive was a special Bentley project, Seniors made up for a slow start and came on with their best effort in the last days of can-collecting. Braving the cold, they formed teams and canvassed neighborhoods from after-school hours on into late evening. For many it meant the sacrifice of time in the rush of the holiday season, the staging of the Christmas Concert, and pre-vacation school work. Yet, at the urging of Class officers, representatives, and spirit sheets, trunk loads of cans were collected and hauled into Mr. Webster's office. The final tabulation proved a decisive victory for the Senior Class and underlined the satisfaction Seniors felt in contributing to the well-being of others.

Barb Morrison sensed victory for the Seniors as she and Shirley Lancione completed the final tally.

Senior Class Embodies Four Continents

Several different exchange groups brought six foreign students from three continents to share with Bentley students a different way of life and learn of the American way.

American Field Service, Youth for Understanding, and International Christian Youth Exchange all participate in a program which has found great success in Livonia schools. Not only do the foreign students become acquainted with America by attending the school and residing with a Bentley student's family, but they each contribute a measure of education about their country by speaking at schools throughout Livonia.

The American Field Service club at Bentley actively contributes to the program by holding an annual car wash and also a dance.

Pilar Molinar, from Chile, and Jean Jacques Albaret, of France, find Bentley a friendly foster home.

Cindy Boonmonthira, from Thailand enjoys a joke with an American friend.

Cindy joins Catalina Larraquibel of Chile in obtaining a bus pass to the next game.

Yanghen Joh, or Johy, from Korea votes in a weekly council meeting.

MAY WE DISCUSS YOUR FUTURE WITH YOU?

As a graduating senior, will you soon be seeking employment? If so, what kind of work? In what type of business? These are important decisions you must make.

Of course, you want to work for a reliable firm that provides pleasant working conditions, good pay, and liberal employment benefits. You want to work with friendly people. But more than that, you want to know that your first job can prepare you for something better in the future. You have these advantages at the National Bank of Detroit.

There are many types of starting jobs at NBD. They all provide opportunity to learn and to advance. We'd like to tell you more about them.

“The courage of life is often a less dramatic spectacle than the courage of a final moment; but it is no less than a magnificent mixture of triumph and tragedy. A man does what he must - in spite of personal consequences, in spite of obstacles and dangers and pressures - and that is the basis of all human morality.”

John F. Kennedy
